Memories

Light the corners of my mind . . .

*Misty water color memories
of the way we were.*

*Scattered pictures
of the smiles we left behind . . .*

*Smiles we gave
to one another*

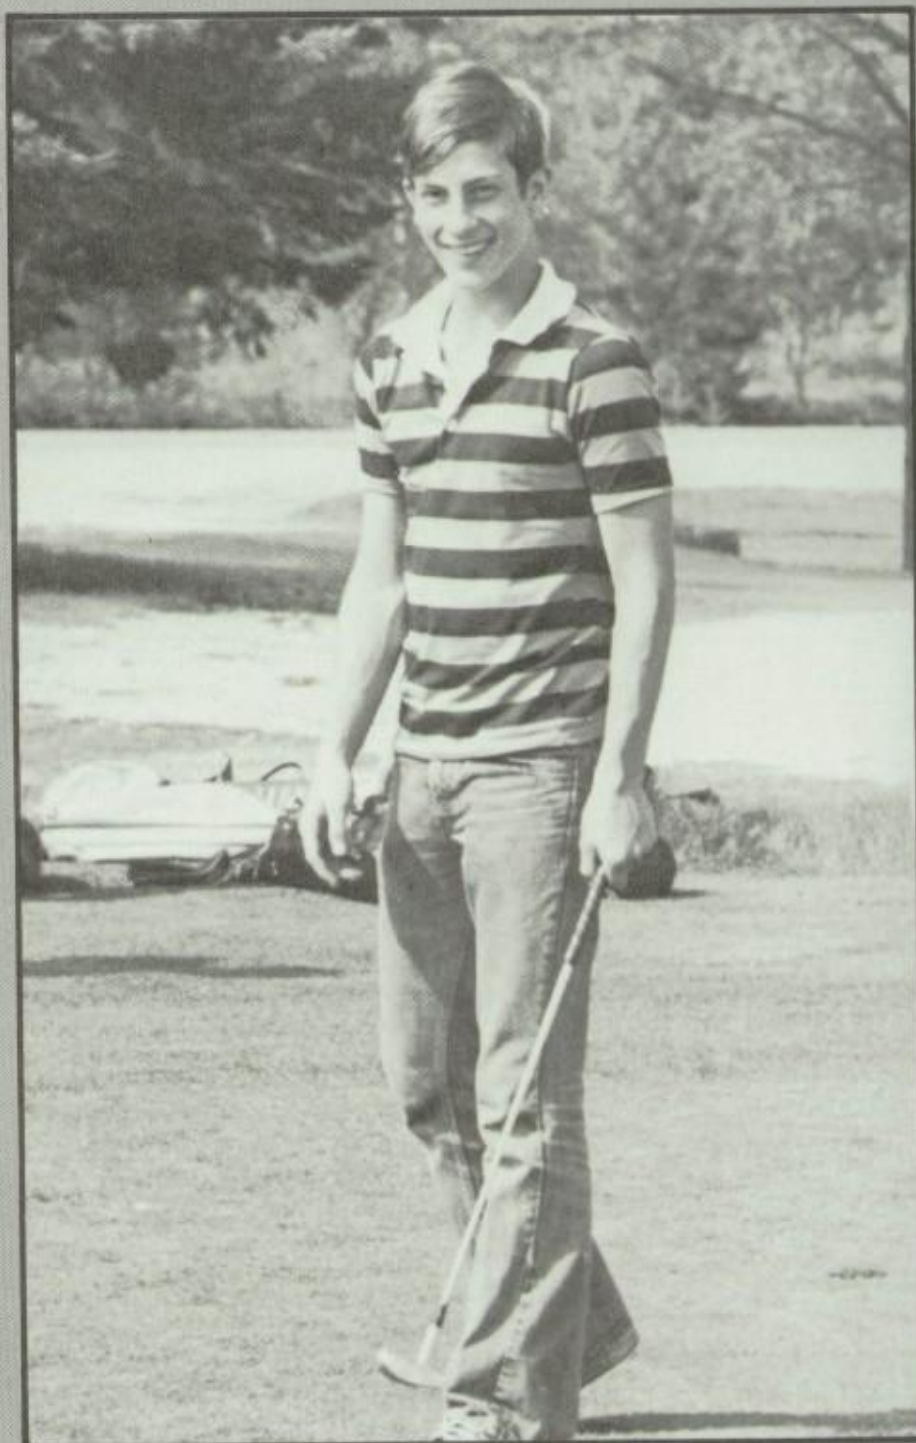

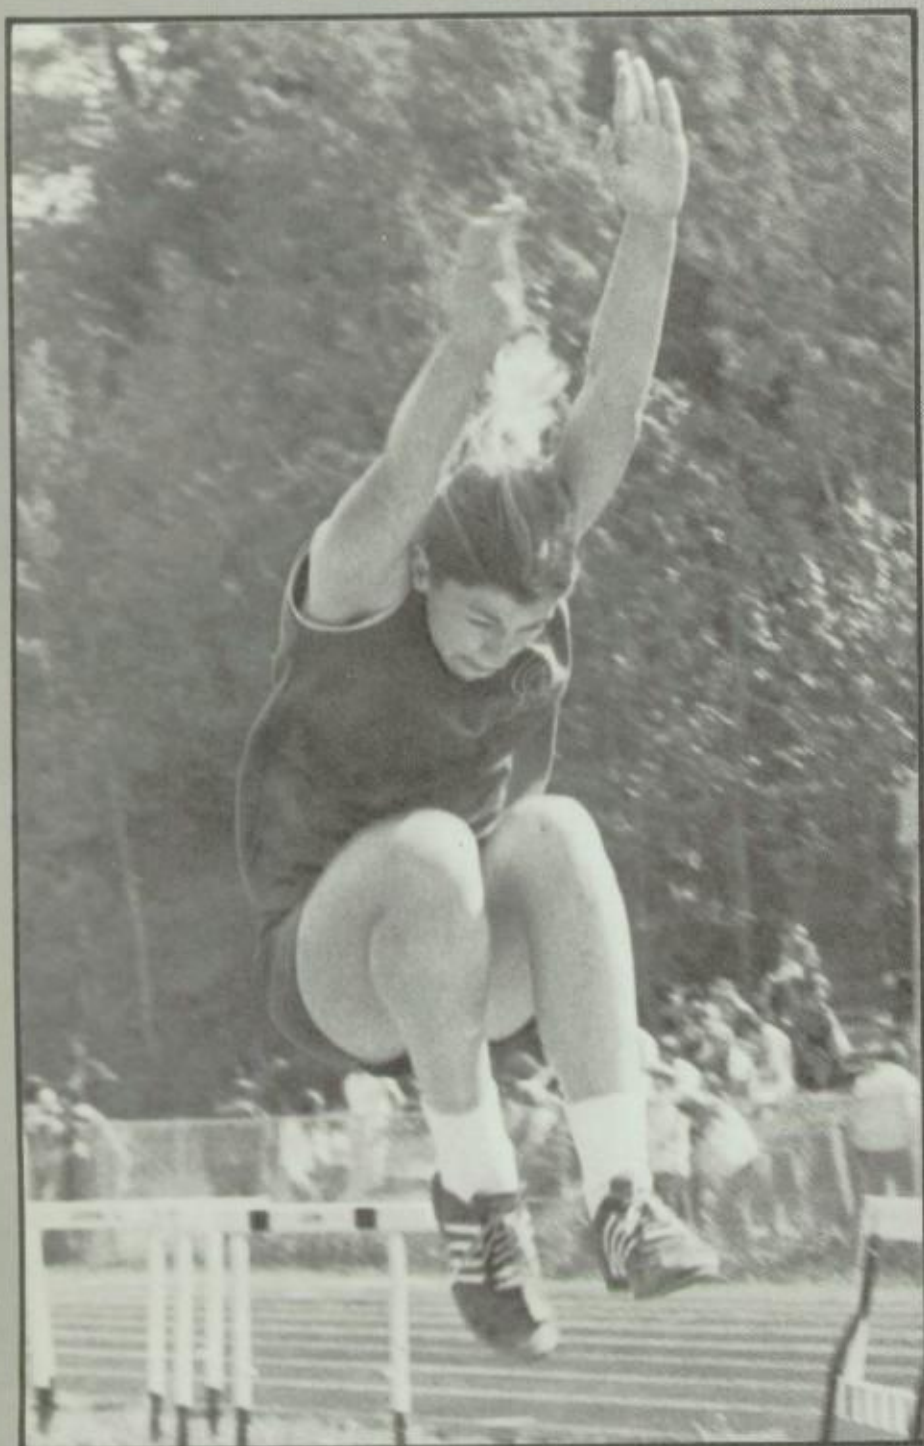

*for the way
we were . . .*

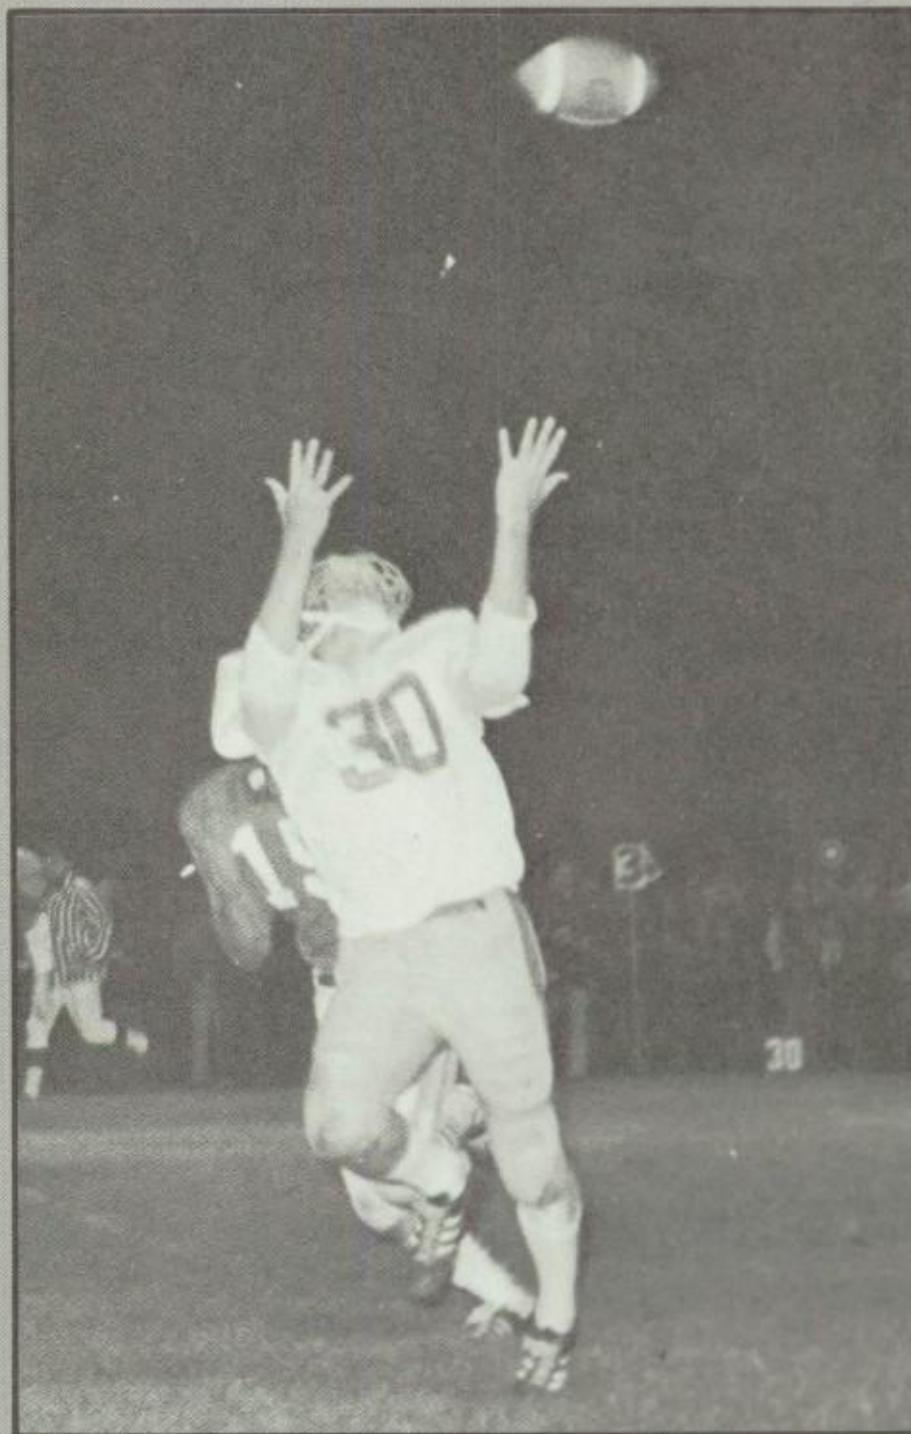

*Can it be
that it was all
so simple then*

Or has time rewritten every line . . .

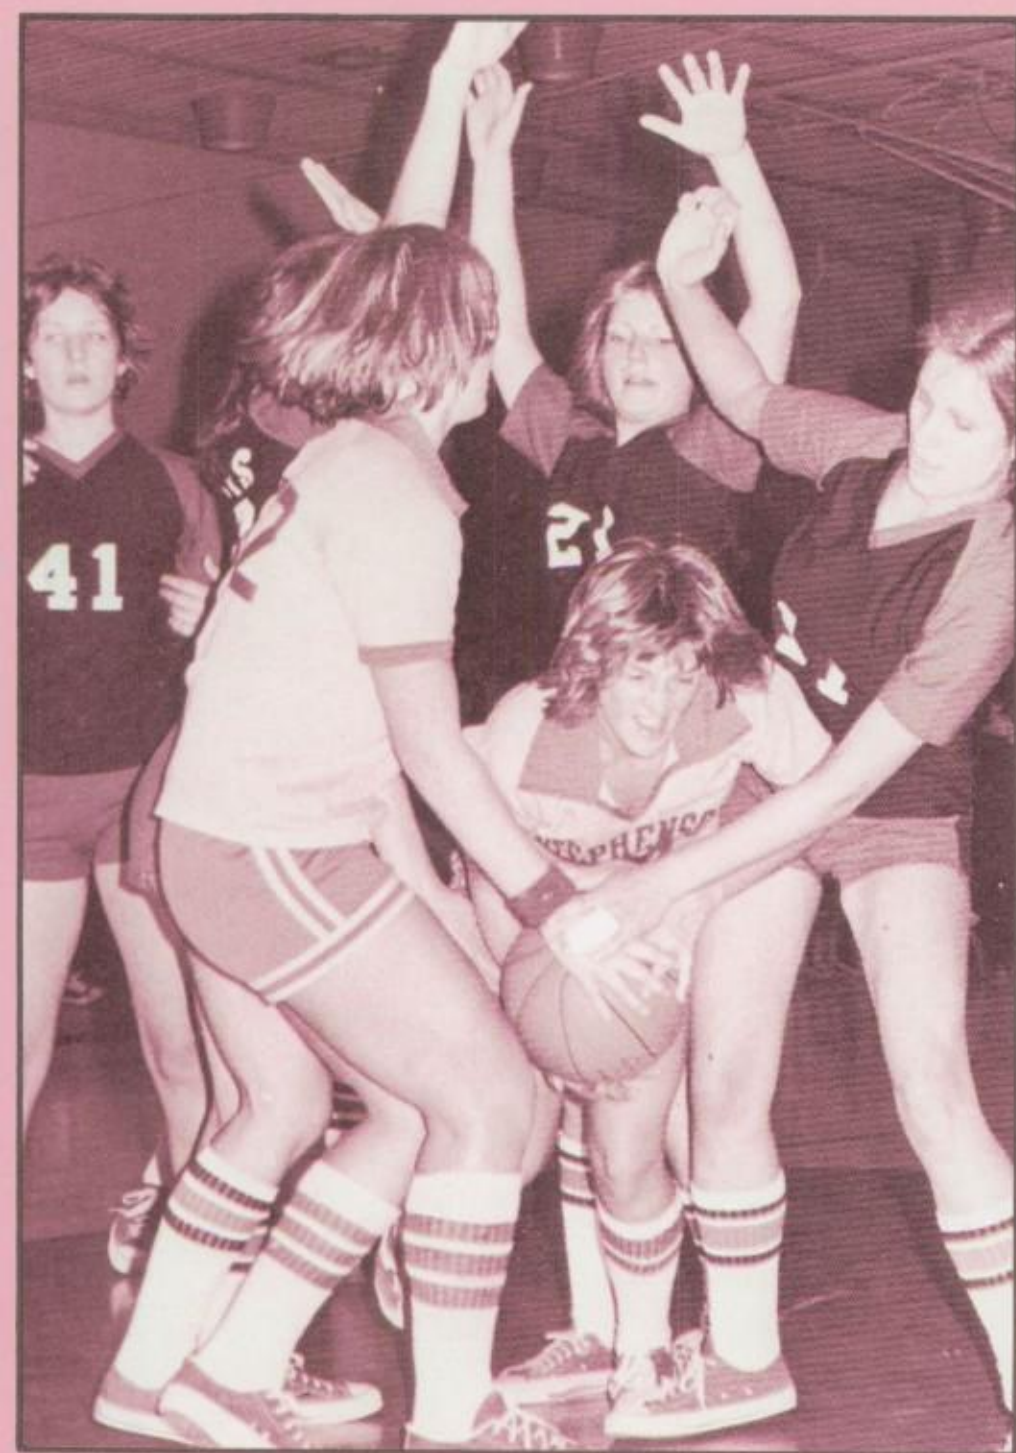

*If we had the chance
to do it all again*

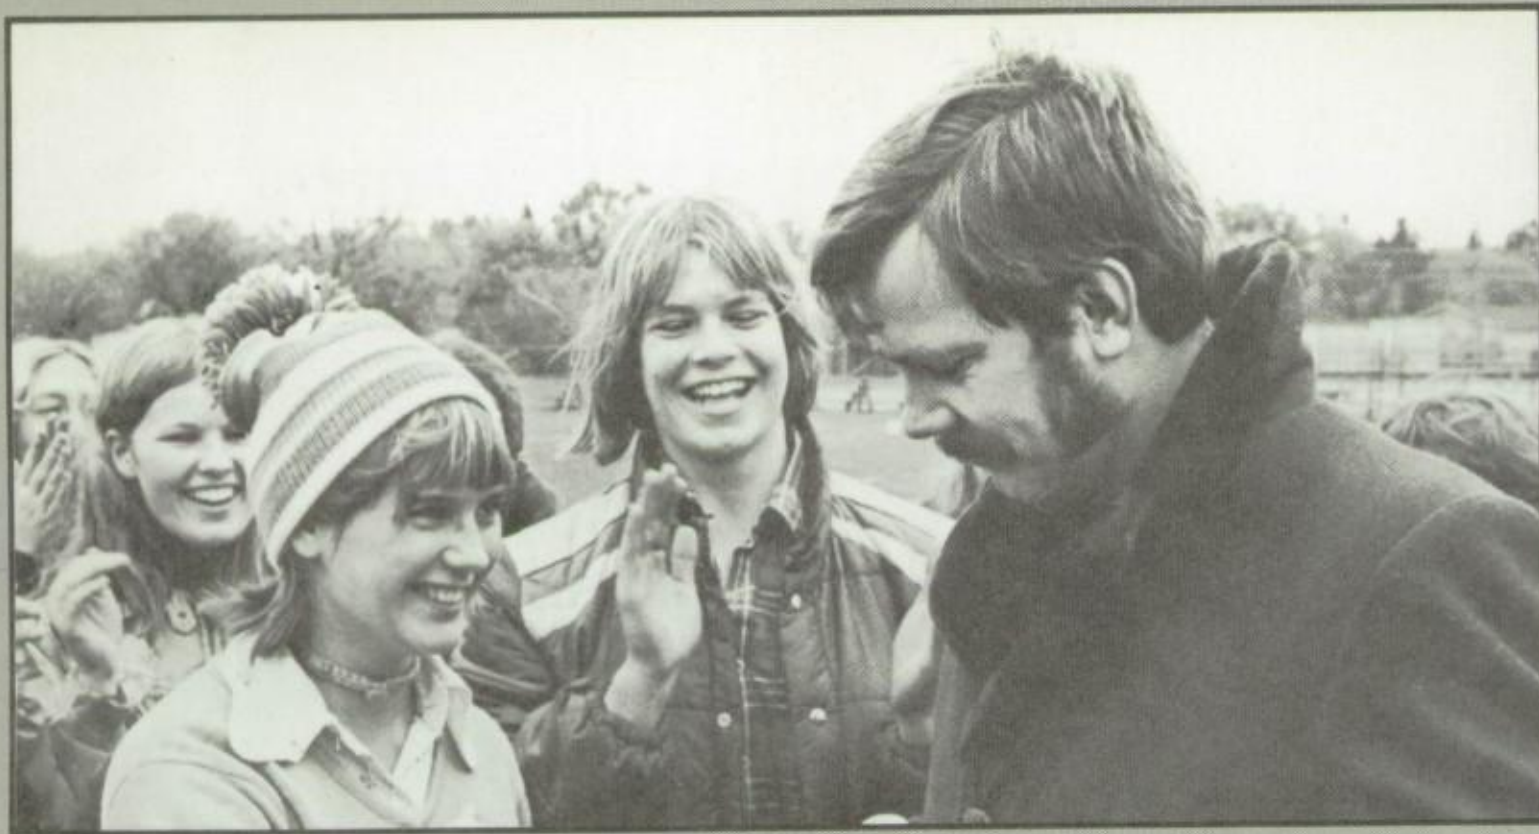

*tell me
would we,
could we? . . .*

*Memories
may be beautiful,
and yet*

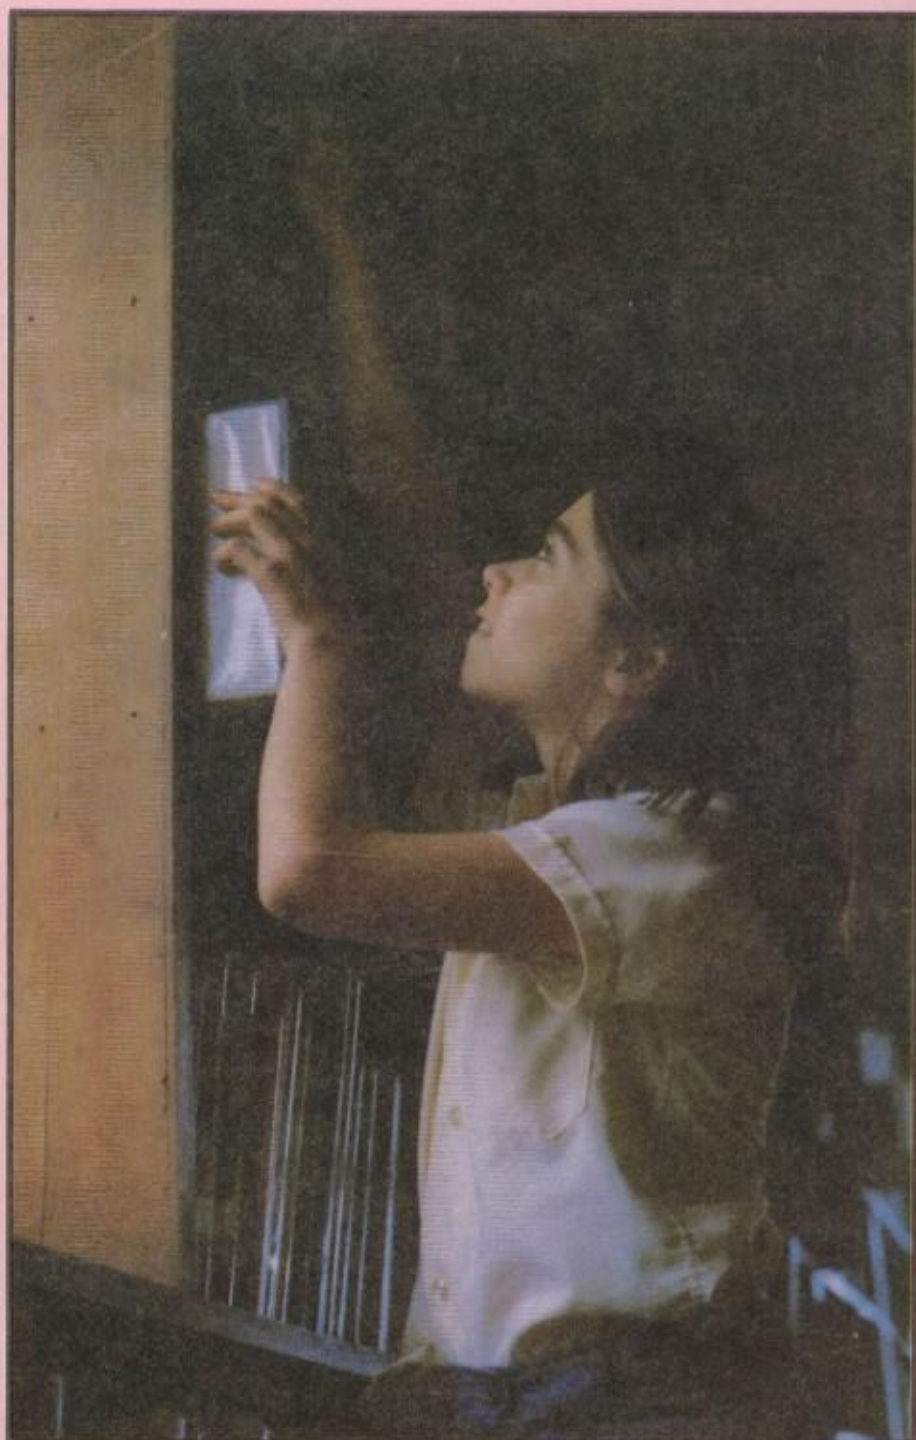

*What's too painful to remember,
we simply choose to forget . . .*

*So it's the laughter
we will remember*

whenever we remember . . .

The way we were.

Senior Reflections

Remember the good ole' days. Before you began to worry about jobs, colleges, universities, or joining the armed services. And remember when you wanted to leave this fine institution of learning and get out as fast as you could. Well, the time has come — at last. Or maybe for some it has come too soon.

We'll be leaving behind friends, teachers, HOMEWORK! the "hot" and cold rooms, (Did the heating ever work?), the school lunches we all made jokes over, but always seemed to eat, crowded halls, dances, football and basketball games, the victories and defeats, assemblies, going steady, and not going steady.

Who can forget the money-making endeavors, the candy sales, and the record sales, and the pen sales, and the magazine sales. We were always selling something or other. As seventh graders we were proud to have built the first seventh grade float and even prouder when

Kathy Aman

Kay Aman

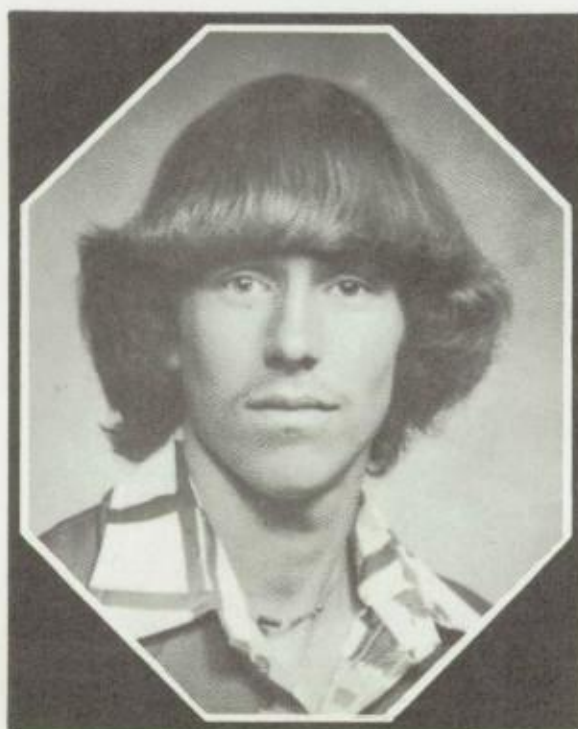

Jeff Anderson

"RAD" our eighth grade float was pictured in the paper. As freshmen, emotions flowed as we watched all our time and hard work on our "Wailing for a Victory" float burn up in a few short minutes. We really turned a simple gym into a pretty nice place for our Junior Prom, "Tequila Sunrise." How proud we were as Sophomores to win the Spirit Award, and winning the Powderpuff football game as Seniors — even though as Juniors we lost. Buying class rings — some didn't know for sure what year they should put on them! Some good things have come to us here, some not so good things too. Some of us will fondly remember our high school years, some of us won't. All in all S.H.S. has been an experience, to say the least, for every one of us!

Remember When? . . .

Seniors of "1978":

Remember when our freshmen float was destroyed by fire?

Remember dancing at the record dance with strobe lights breaking the darkness and dancing to the King of Disco?

Remember our Sophomore Twirp Week assembly "Anything Goes?"

Remember our sixth-grade class trips?

Remember one of our eighth grade advisors named Mr. Jarvi?

Remember when Jeff Verba was crowned Homecoming King 1978?

Remember when Ron Adams was the hero of the Mid-Peninsula game?

Remember when we beat Crivitz in football in 1976?

Remember all our frustration in building our seventh grade float, the size of a snowmobile trailer, and wondering how anyone could make a float the size of a haywagon?

Remember our eighth grade Polka Dance?

Remember our Freshmen Skip Day?

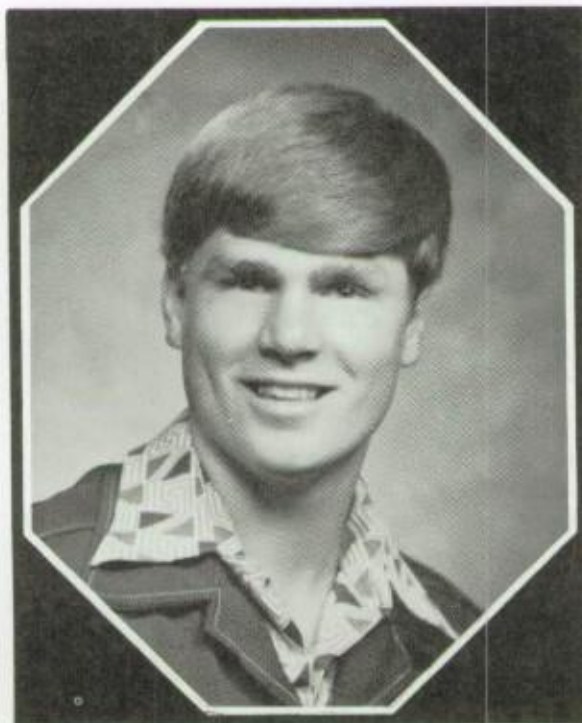

Remember in seventh grade when we celebrated the last day of school with water balloon fights up on the third floor?

Remember looking up to Seniors and thinking, "Boy are they cool"?

Now that you're a Senior, how does it feel?

Kathy Zahorik

Why do you study?

"I studied as little as possible. I brought my books home and forgot them on the bus or forgot the assignments. When it came to test time, I figured if I didn't know it by now I never would.

— Brian Bergquist

"Why do you climb a mountain?"

Because it's there!"

Peg Marklein

What did being part of Homecoming do for you?

"It made me believe more of myself and proves you can do anything if you want to."

— Barb Staples

"It helped me believe more in myself and also showed me what friends are for."

— Karen Lindstrom

How important are sports in the school?

"Very. It reminds you that there's more to school than just regular classes. In some cases they actually give you a team to be proud of!"

— Tina Hallfrisch

"Sports are important enough to hold the student body together during a game, cheering for something that means a lot to everyone."

— Patty Haulotte

"It gives the school a better meaning. People like to be a part of sports."

— Ron Adams

Does being 18 years old give you more freedom?

"Freedom from what? Yes, I guess it does. Socially. But in a way I'm more restricted. But I guess I feel freer. But freedom can be scary too.

— Anonymous

Do you feel the school really cares about the quality of classes?

"Yes — I believe that the school is doing all that they possibly can to help the teachers bring about a good quality in our education."

— Lynda Starzynski

"No — As long as everyone attends and stays out of the halls, even though there are no materials to work with, or poor equipment, it keeps them happy!"

— Mike Hirsch

"Our school doesn't have the facilities needed to teach properly, but I believe most of the teachers really try hard. I also believe that we could help out too!"

— Cathy Gerue

Boys' and Girls' State

Members who participated in Boys' and Girls' State in the summer of 1977, were: Don Adams, Rose Patz. Standing: Tim Breyer, Lisa Brock, Dave Houseman, and Kneeling: Todd Menke. Alternates were: Lisa Corey, Bill Kakuk, and Dan Routhier.

Stephenson High School's representatives at Boys' and Girls' State were sponsored by the American Legion Auxiliary, American Legion, and the Lions Club. The activities for Girls' and Boys' State were held in June of 1977. Olivett College hosted Girls' State and Boys' State functions were held at Michigan State University.

The main purpose of these activities was to learn more about our government by participating in the proceedings of a mock-government. The seniors involved had a great deal of fun while learning about government interaction.

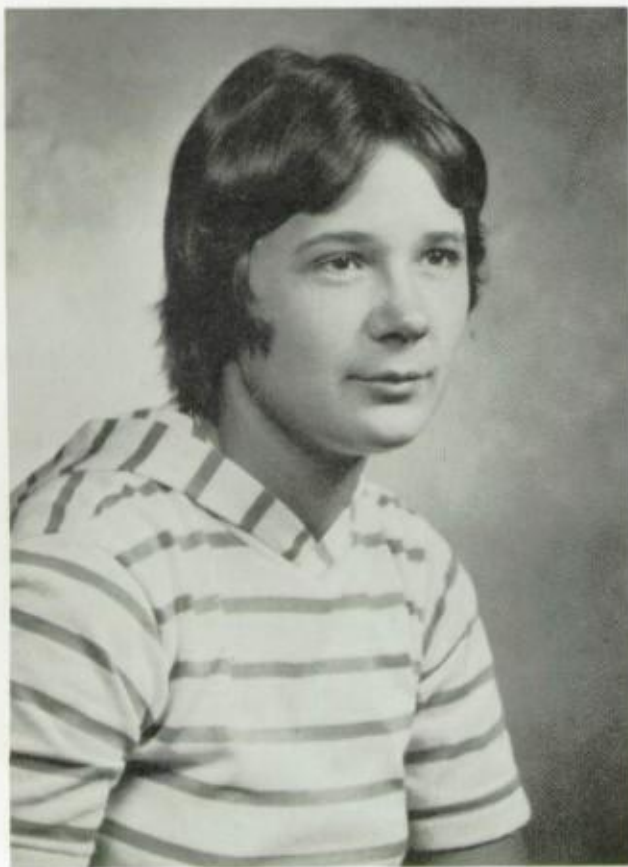

Jane, Lynn Top Seniors

Jane Adele Schlenvogt has taken top honors in the Senior Class with a 3.925 point average.

Jane's parents are Harold C. and Virginia Schlenvogt of Stephenson.

During her high school career, Jane was an active member of the National Honor Society, serving as president in her senior year. She was chosen for Who's Who Among American High School Students. Jane was active in her local church group, TWFC, and was the club's vice president for the last two years. In addition, she was a church choir member, a Sunday school teacher for the past two years, and a 4-H member.

Jane plans to attend Martin Luther College in the fall.

Lynn Marie Desjarlais, with a 3.825 point average, was Stephenson High School's 1978 salutatorian.

She has been very active in the Pep and Lab Bands. As a member of the Future Homemakers of America for four years, Lynn served twice as historian and one year as secretary for the club. During her senior year, Lynn was elected reporter for the Business and Office Education Club. She played on the girls' basketball team as a freshman and sophomore. Lynn also earned membership into the National Honor Society.

Lynn is the daughter of James and Barbara Desjarlais of Stephenson. Her future plans include studying accounting at NWTI in Marinette.

High Averages for Top Ten

After four years of high school, the following seniors completed their academic time at SHS. with impressively high grade point averages:

<i>Jane Schlenvogt</i>	<i>3.925</i>	<i>Tim Breyer</i>	<i>3.547</i>
<i>Lynn Desjarlais</i>	<i>3.825</i>	<i>David Houseman</i>	<i>3.538</i>
<i>Rosalee Patz</i>	<i>3.785</i>	<i>Paul Miller</i>	<i>3.523</i>
<i>Karen Stoppa</i>	<i>3.700</i>	<i>Lisa Corey</i>	<i>3.500</i>
<i>Melodie Busick</i>	<i>3.675</i>	<i>Faith Eichhorn</i>	<i>3.473</i>

Sabine Petri ***AFS Student***

Sabine Petri is this year's exchange student under the American Field Service program. She comes from Bonn, the capital of West Germany, and made her home with the Palzewic family in Wallace. This is how Sabine tells her feelings about living here and her future plans:

"It was a big change to come from a city with 300,000 inhabitants to a small town in America. But never before have I learned so much during one year. The schools in Germany are very different, because we have classes till about 1:30 at noon, six days a week. It took me a while to adjust to the long school days here since I was used to switching the schedule every day and had at least 15 required subjects. I enjoyed the sports activities very much and had fun especially playing football on the Powder-puff Team. It was a big surprise to be named Honorary Queen on Homecoming and helping to build the senior float was also a new experience. The winter was very long and cold (!), though I had lots of fun skiing and trying out snowmobiling and ice skating. Graduation in America is also very different. In our school you hardly celebrate it and we

don't have any "senior skip days," banquets, senior pictures, or proms either.

My plans for the future are to finish two more years of school because we have grades 1 through 13 in Germany. Then I plan to enter the University to study languages. But if I can save enough money I would like to come back to Stephenson to see you all again. I am glad that I could help to start an AFS Club and interest many of you in promoting understanding of all the countries of the world. Hopefully some of you will also have the opportunity to spend a summer in a different area some time. Also hopefully you will have the chance to be helped so much through your experience as everyone of you helped me here in Stephenson."

*Class Flower:
Rose*

We're The Class of 78!"*

*Class Motto: "We know not what the future holds;
But we know who holds the future."*

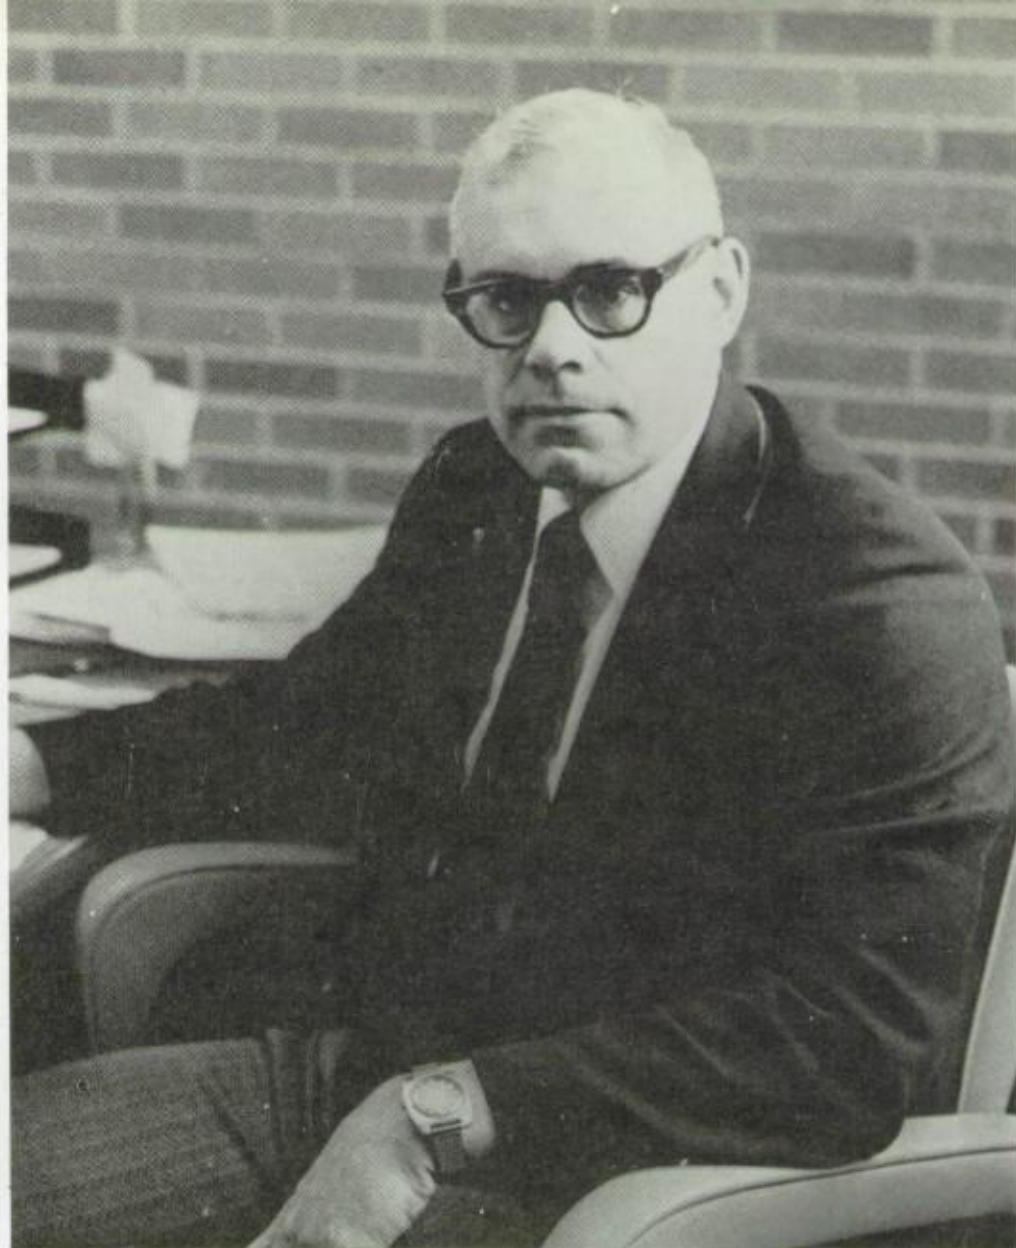

ADMINISTRATION

***Superintendent
Mr. Richard V. Yenchesky,***

"The 1977-78 school year has been very enlightening. There is a positive attitude and real esprit de corps throughout the school system. This respect and attitude exemplified by the students and teachers has been contagious and appears to have generated good rapport and support in the community. A school is really a mirrored image of its community. It supports the cliché "Good communities build good schools."

— R.V.Y.

***Principal
Mr. Cleland V. Methner***

Best wishes to the "Class of 1978."

"May I offer you the challenge to use the knowledge, skills, and attitudes acquired in your formal years of education to become a responsible and productive citizen; one which will make this great state and country of ours a better place to live and work because of your contributions."

C.V.M.

***Assistant to the
Superintendent
Mr. Louis Seidl***

Mr. Seidl's philosophy of life is to "do the ordinary things in an extra-ordinary manner."

***Board
of
Education***

JV Pom Pom Girls

After many long hours of hard work, the final day comes. This is the day the annuals are passed out. But do the people who receive the annuals really know what was involved in preparing them?

Pictures capture our memories best. In this book the pictures were taken by our professional photographer, John LaPorte, and Jan Palzewic, student photographer. As photographers they went to great pains trying to make each picture turn out special to all those involved.

Pictured below: Pam Dahl, June Menza, Lisa Brock, Jan Palzewic, Kathy Smotucha, Tammy Newlin, Darnece Nerat, Anne Marineau, Edna Kline, Renee Bust, Gladys Larson, Karen Garrison, Cheryl Paronto, Patty Philipps, Kathy Wandersee, Dawn Rice.

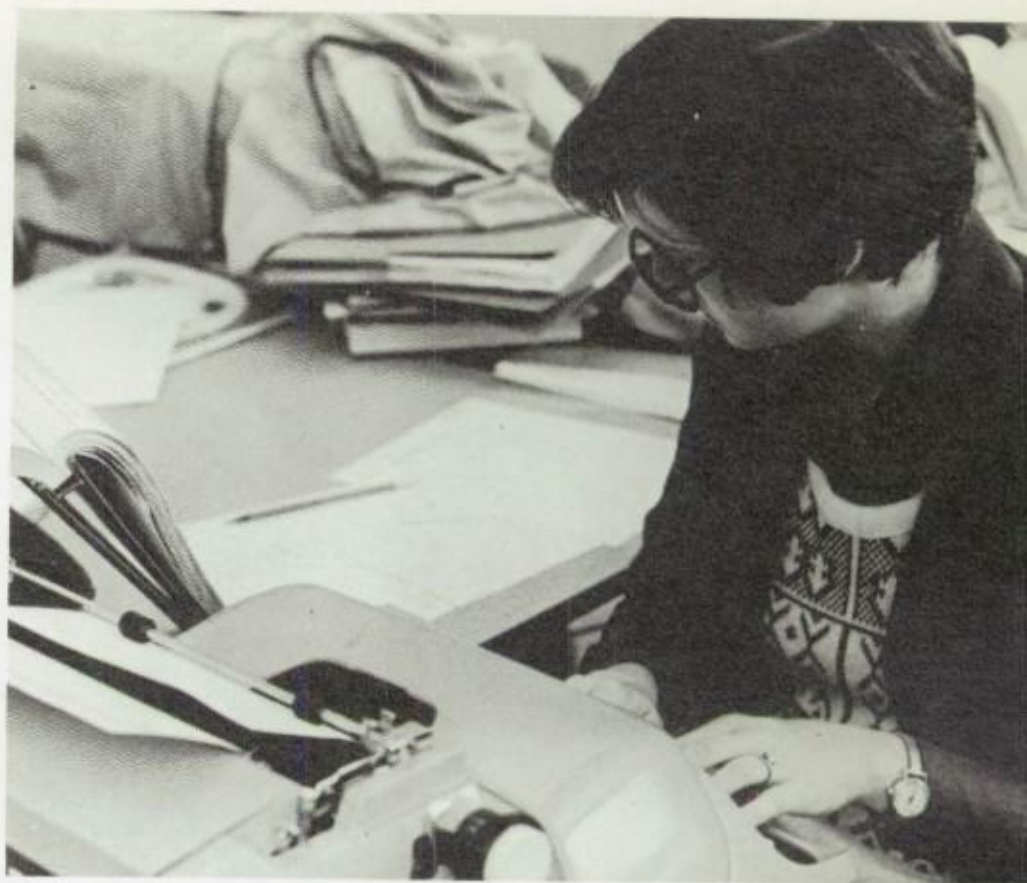

The responsibility of putting these pictures onto pages was taken care of by the rest of the Annual Staff. The members of the staff worked many hours after school and on weekends trying to represent the past year in the best way they knew how. First came the ladder. The ladder outlined the order that all pictures and articles were to follow. Rough drafts came next. Again, trying to make the best possible annual, each page was sketched out and typed

Annual

in rough-draft form. The completed pages, containing all pictures, copy, and instructions, were carefully prepared. A great deal of proof-reading and thought went into finishing the final copies, since any mistake there would certainly show up in the yearbooks when they arrived.

When everything was mailed to the publisher, our hardest part began — waiting! . . . waiting to find out the reactions of the people who bought the annuals . . . waiting to see if the students would enjoy their yearbooks as much as the Annual Staff enjoyed working on them.

Our memories include working long hours, planning each page, raising money, hoping for a success, trying to “capture memories” and much more. Did we help you remember, “the way we were”?

We know those fingers can move faster than that, Anne!

Jan, are you REALLY THINKING?

Staff

Student Council

Officers: Mary Hubbard — President, Tod Crandall — Vice President, Kathy Smotucha — Secretary, Mike Hirsch — Treasurer, Todd Menke — Public Relations.

Back Row: Mr. Kalhoefer — advisor, Todd Menke — senior, Joan Revall — junior, Todd Crandall — junior, Lea-Ann Galbraith — sophomore, Sherri Raether — eighth. Middle Row: Cindy Thoun — senior, Denise Desjarlais — freshman, Holly Cole — sophomore, Jim Ciochetto — seventh. Front row: Kathy Sotucha — junior, Ellen Thonne — junior, Kay Topper — eighth, Tracy Baumler — freshman.

Hi-Q Team

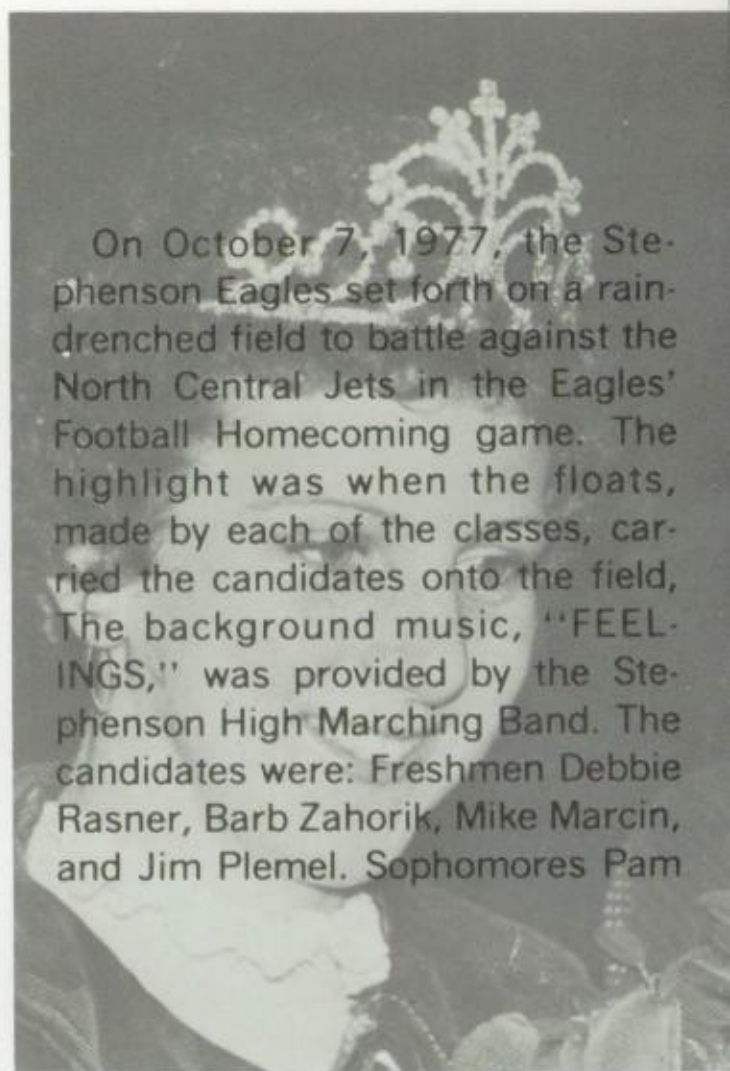

Left to Right: Mr. Kalhoefer — advisor, Dave Houseman — senior, Jane Schlenvogt — senior, Lynn Desjarlais — senior, Dawn Rice — junior, Paul Miller — senior, Julie Schlenvogt — junior.

Twelve high schools participated in the Hi-Q matches which were sponsored by the Scott Paper Company. Students competed in the areas of current events, math, life and physical sciences, vocabulary, English literature, art history, sports history, music history, Shakespearean works, U.S. government and history, and world cultures.

ACTIVITIES

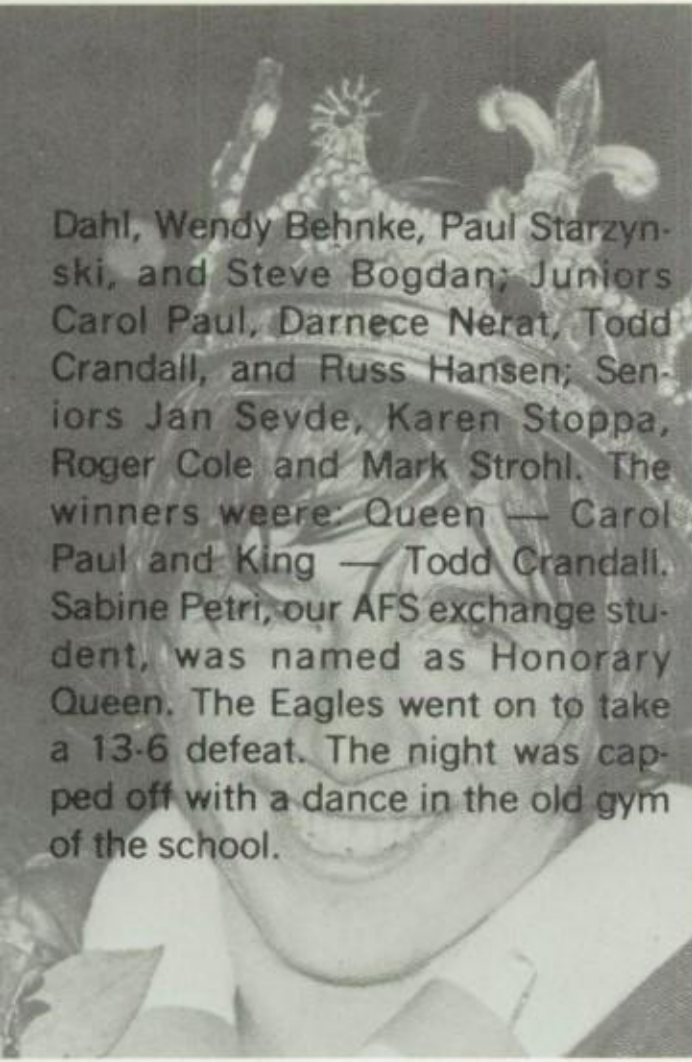

On October 7, 1977, the Stephenson Eagles set forth on a rain-drenched field to battle against the North Central Jets in the Eagles' Football Homecoming game. The highlight was when the floats, made by each of the classes, carried the candidates onto the field. The background music, "FEELINGS," was provided by the Stephenson High Marching Band. The candidates were: Freshmen Debbie Rasner, Barb Zahorik, Mike Marcin, and Jim Plemel. Sophomores Pam

Football

Dahl, Wendy Behnke, Paul Starzynski, and Steve Bogdan; Juniors Carol Paul, Darnece Nerat, Todd Crandall, and Russ Hansen; Seniors Jan Sevde, Karen Stoppa, Roger Cole and Mark Strohl. The winners weere: Queen — Carol Paul and King — Todd Crandall. Sabine Petri, our AFS exchange student, was named as Honorary Queen. The Eagles went on to take a 13-6 defeat. The night was capped off with a dance in the old gym of the school.

Homecoming '77

Above: Junior Powderpuff Team. Top to bottom: Coaches — Mr. Johnson, Terry Horvath, Paul Hohmann, Todd Crandall; Sharon Duca, Lori Murray, Darnece Nerat, Wanda Berzsenyi, Jule Barstow, Joanne Johnson, Dawn Rice, Jane Kuntze, Sheryl Beno, Patty Philipps, Sharon Wangerin, Mary Gross, Lois Schmidt, Joan Revall, Julie Schleavogt.

Right: Freshman Powderpuff Team. Top Row: Tena Johnson, Tracy Baumler, Corinne Havelka, Jill Beau-doin, Coach — Mr. Custer, Sharena Williams, Theresa Wagner, Caryn Brown, Peggy Heiden, Theresa Hultman. Bottom Row: Lisa Diehm, Debbie Rasner, Barb Zahorik, Sue Voigt, Sue Lesperance, Denise Desjarlais, Lora Raether, Julie Dionne.

Below: Sophomore Powderpuff Team. Top Row: Sue Staples, Marybeth Vincent, Nancy Nordquist, Dee De Su, Linda Luisier. Middle Row: Coaches — Mr. Paul Miller, Mike Majkrzak, Tammy Parrett, Phyllis Van, Sherri Leaveck, Joan Pokovich, Lisa Kosewski, Wendy Behnke. Bottom Row: Penny Phillips, Leslie Connolly, Beth Sandahl, Holly Cole, Pam Thoney, Aileen Lindstrom, Linda Lusardi.

Powderpuff Football

During the football homecoming season, the girls' powerpuff games are always a time of great rivalry between the classes. This year, the winner of the Senior-Junior game was the Seniors, and the Freshmen were victors over the Sophomores. The games resulted in a great deal of fun and showed plenty of spirit on the part of all who participated.

**Eagles Celebrate
Homecoming Victory**

The Eagles had another successful night when they defeated Munising by 15 points on February 11, 1978.

This game meant a little more to the Seniors, who chose members of their class as Homecoming queen and king.

Queen candidates Pam Brabec, Mary Kay Kozlowski, Karen Lindstrom, Sue Loskot and Barb Staples were escorted onto the court by the king candidates to the tune of "Music to Choose Queens By" played by the SHS Pep Band. King candidates were Don Adams, Jeff Anderson, Tim Breyer, Todd Menke and Jeff Verba.

The halftime festivities were highlighted when Jeff Verba and Mary Kay Kozlowski were named king and queen.

Left to right: Kevin Strange, Diane Noasconi, Dave Borst, Beth Thoney, Terry Heiden, Ruth Walli, Bill Kuntze, Sherri Raether.

KING: Kevin Strange

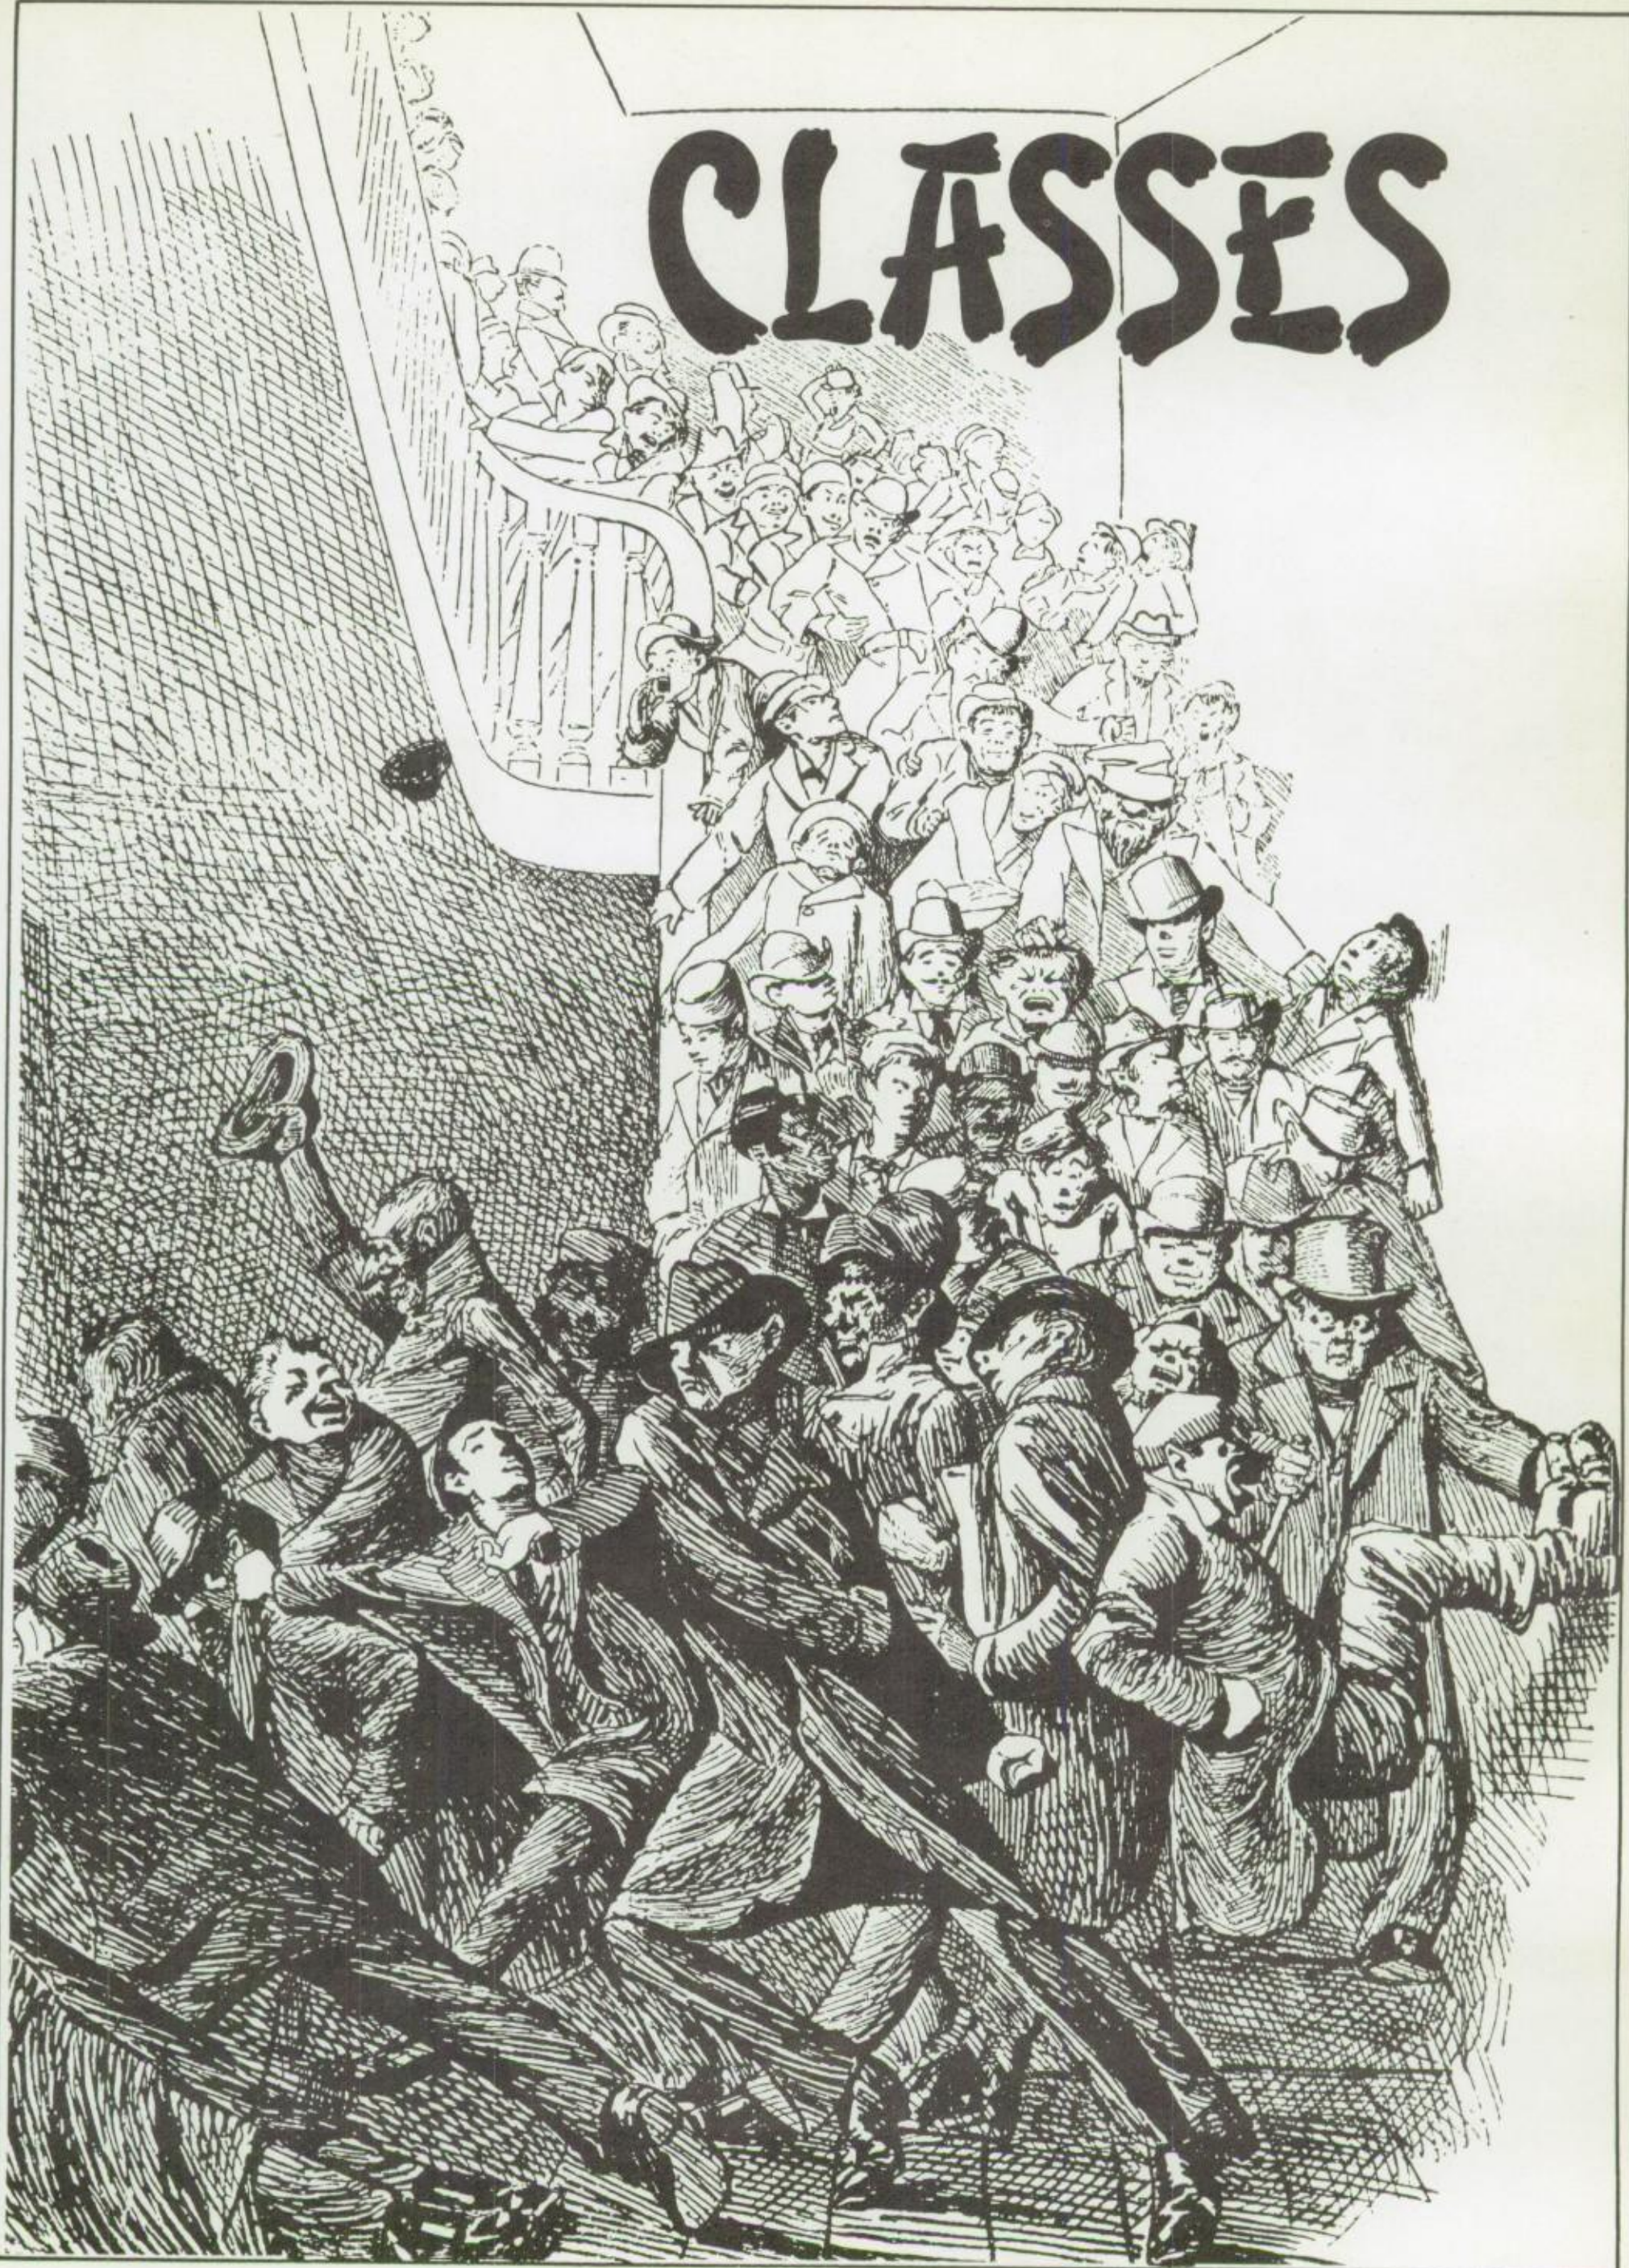

QUEEN: Diane Noasconi

Junior High Homecoming festivities were held prior to the 8th grade basketball game on the evening of February 2, 1978. The battle between the eighth grade players from Stephenson and Carney ended with an Eagles Homecoming victory over Carney. The final score was 29-34.

Jr. High Homecoming

CLASSES

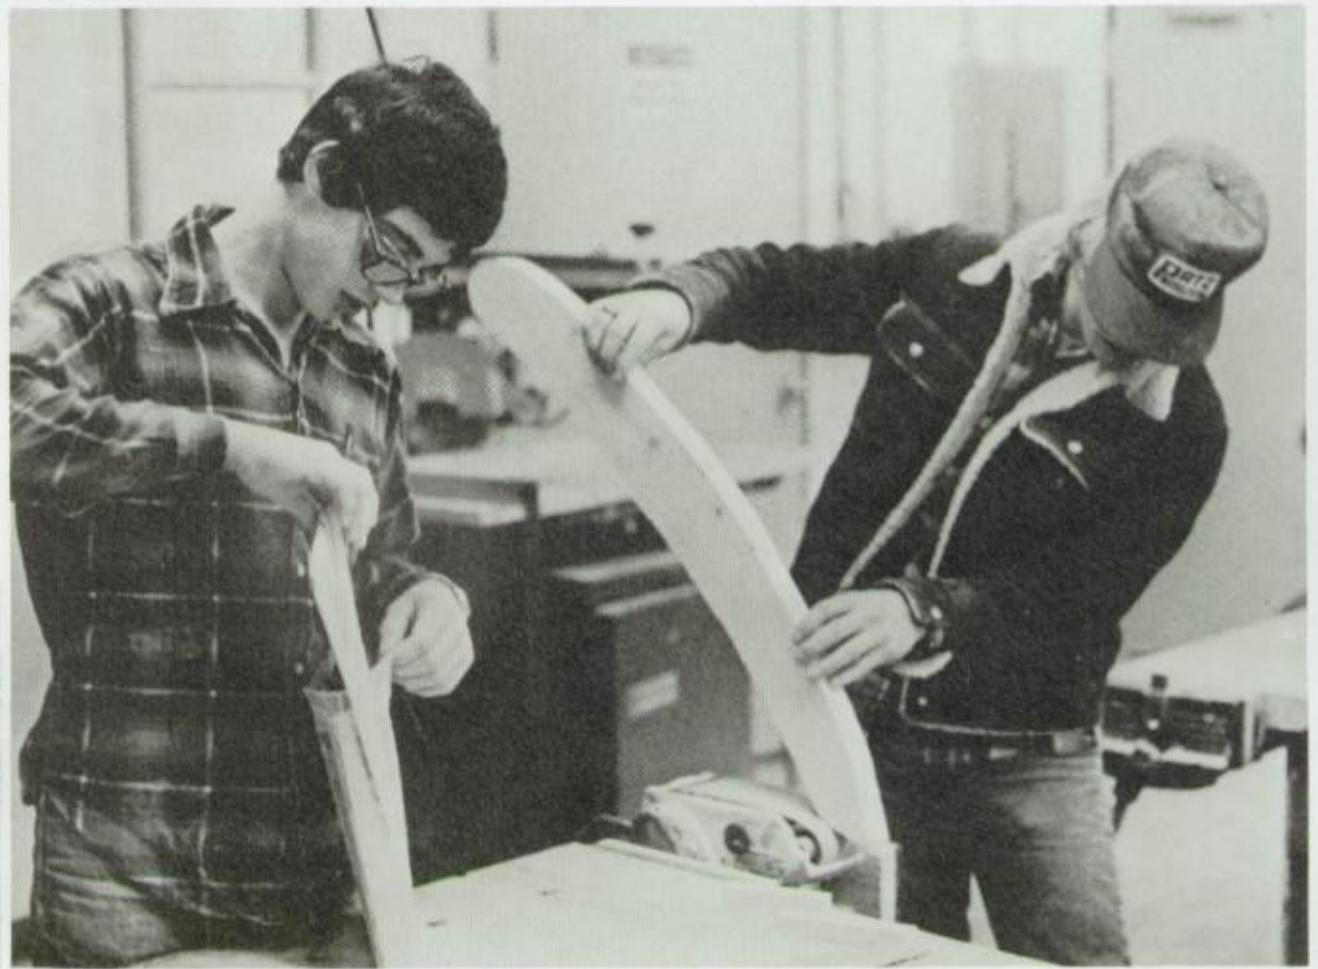

Practical Knowledge Important Too

Industrial arts students learned useful information and skills in Woodworking and Metals.

Their newly acquired knowledge can now be used vocationally or for personal use.

Above Left: Senior Ron Adams builds a frame for a wishing well.

Above Right: A Woodworking I student uses the belt sander.

*Bottom: As Mr. Young watches, Randy Erickson adjusts the router.

Towards Better Living

A variety of topics were studied by home economics students. Besides basic cooking and sewing, students learned about consumer economics, grooming, personality characteristics, crafts, and much more.

Students interested in vocational training in the area of sewing had the opportunity to take the class Clothing Service.

Top Right: Foods and Textiles students await the beginning of class.

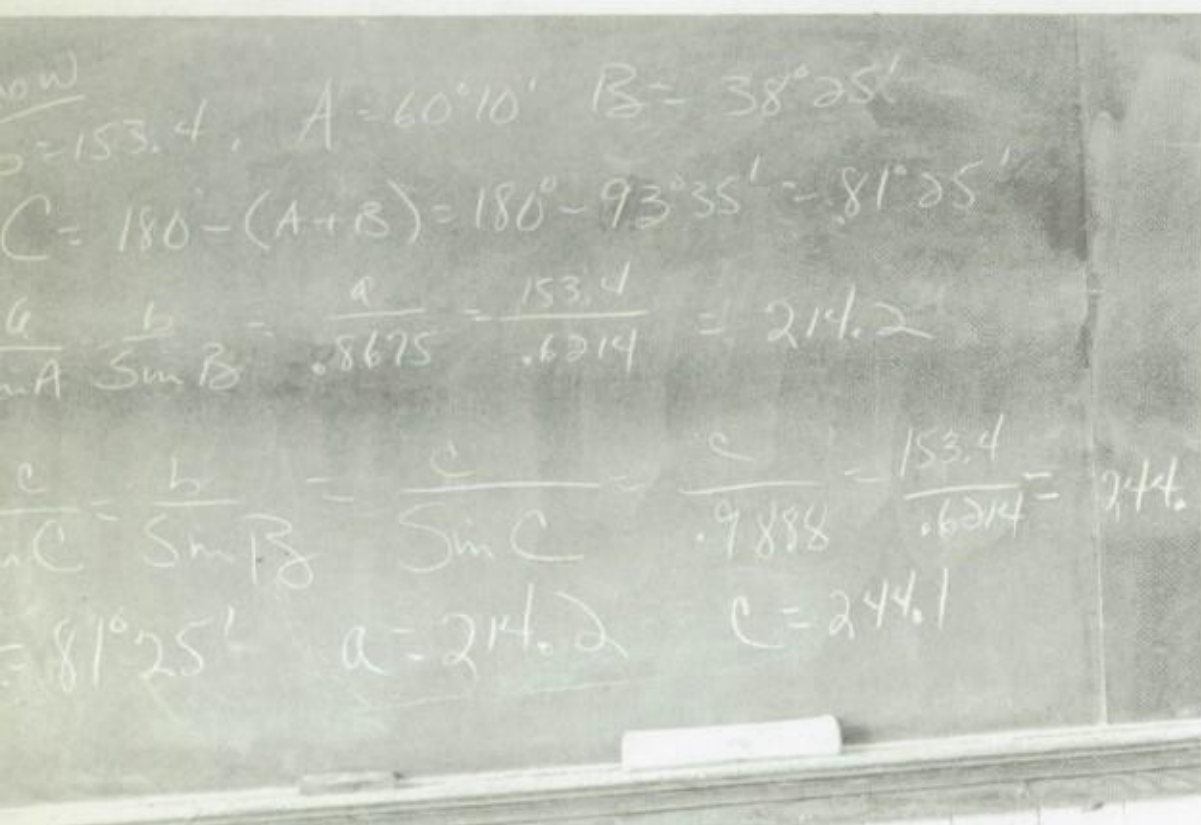

Left: Lisa Diehm carefully works at preparing food as a class assignment.

Bottom: Sue Lesperance stirs a main dish which her classmates will later sample.

What Would Life be Without Math?

Several high school mathematics classes were offered this year. General Math, Geometry, Algebra I and II, Trigonometry, and Calculus were all possible courses of study through the Math Department.

Above Left: Debbie Perretto sits contemplating her Algebra I assignment.

Above Right: Mr. Londo keeps busy correcting test papers.

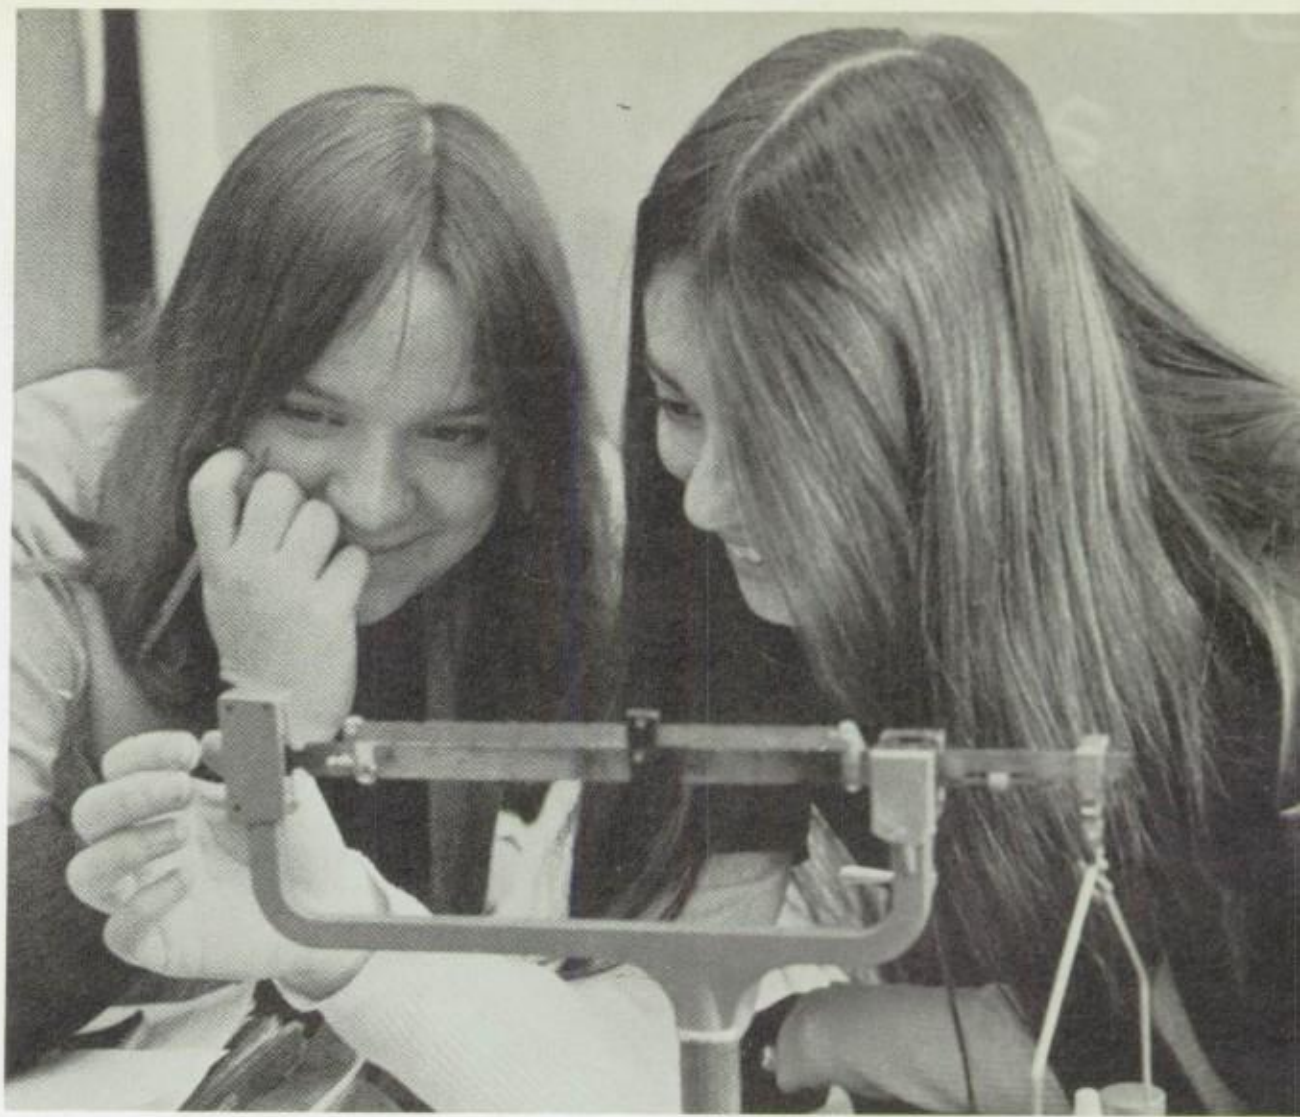

Bottom: A familiar sight to students in advanced math classes is a blackboard filled with numbers and equations.

Understanding Life and Its Mysteries

Top Right: Working on a science experiment keeps Sandy Adams and Cheryl Hanson interested.

Left: Mr. Kaufman places the finishing touches on his ruffed grouse specimen.

Bottom Right: Students work in groups while using a microscope.

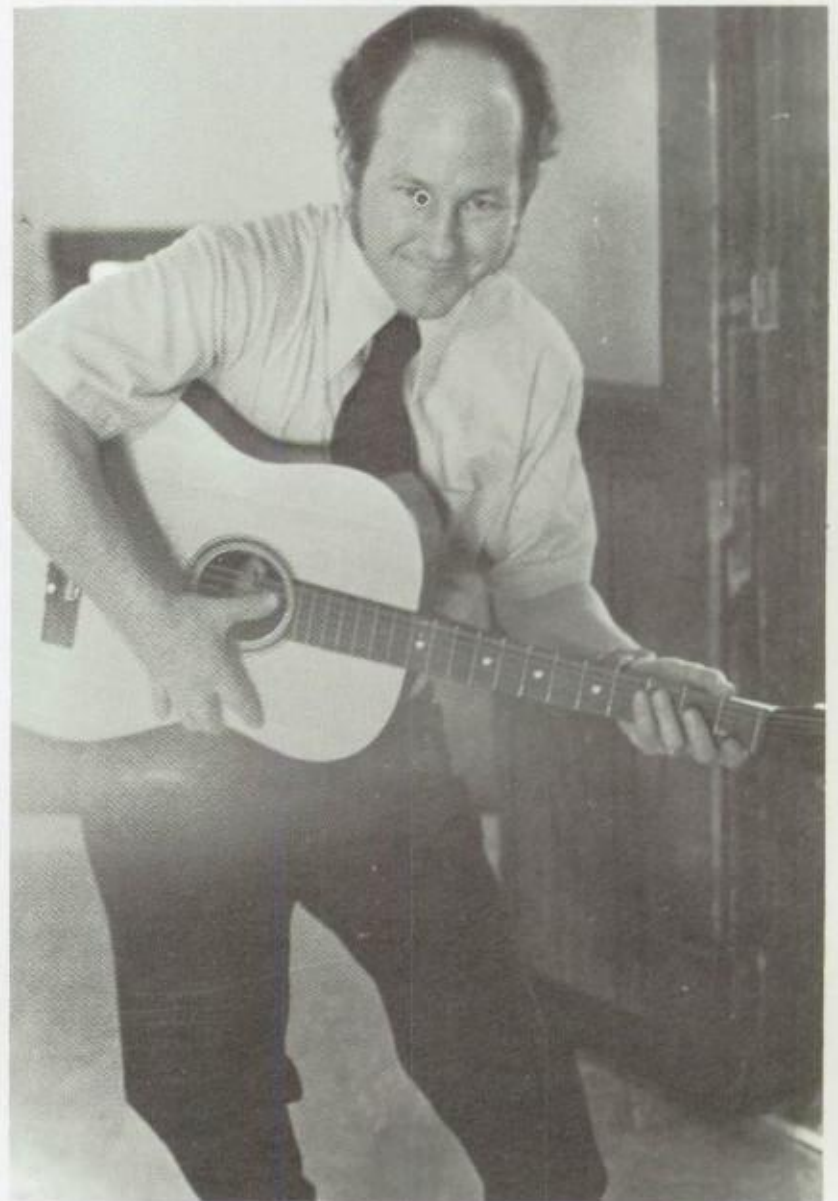

Enrichment Through Art and Spanish

One of Mr. Hieshetter's Arts and Crafts students work on a project.

A painting by an art student.

Mrs. Dean writes an often-used sentence in Spanish.

Greg Anderson is shown with his collage.

Communication Skills Emphasized in English Courses

The majority of students in our school had an English class in their daily schedule.

Communication skills were improved and expanded in the English courses by intensive writing exercises and reading of literature.

Above Left: Jane Beaudoin reads an American Literature assignment.

Above Right: Journalism student Lisa Brock works on a negative for the school newspaper.

Bottom: Mr. Blair offers an example of how to give a demonstration speech.

Long Rehearsals

End With Musical Results

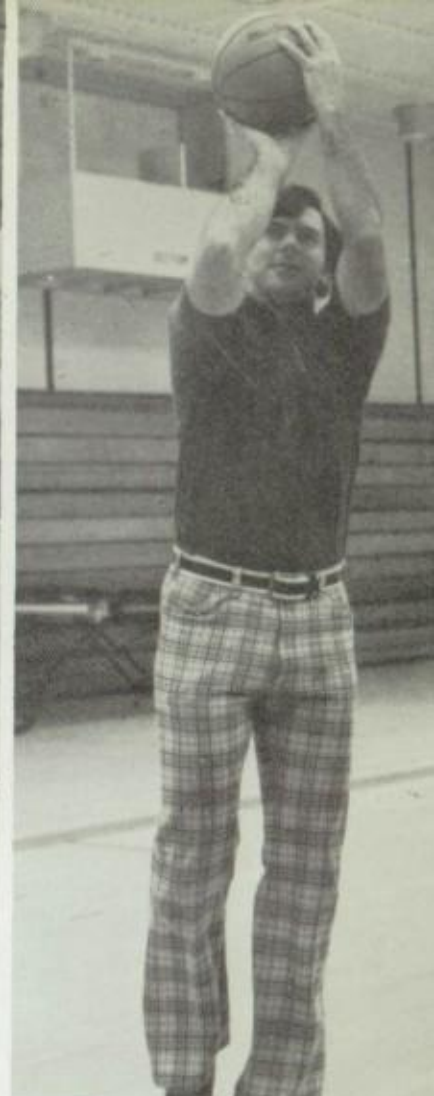

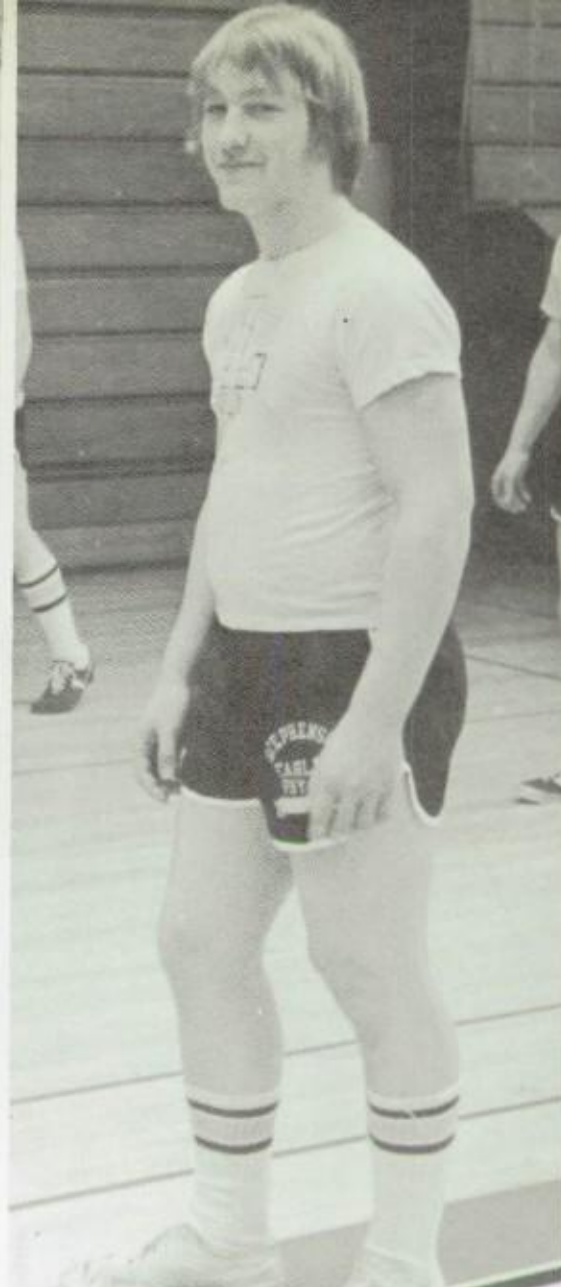

Instrumental and vocal music were again very popular this year.

The Junior Band, Senior Band, and the Chorus combined at the Christmas, Mid-Winter, and Spring Concerts to create three enjoyable evenings of musical entertainment.

Top Left: Terry Horvath is pictured practicing before a band concert.

Top Right: Julie Schlenvogt takes a breather after an exhausting passage from "Alla Barocco."

Bottom: Jim Phillipppo and Joe Breyer discuss the musical selections for the Mid-Winter Concert.

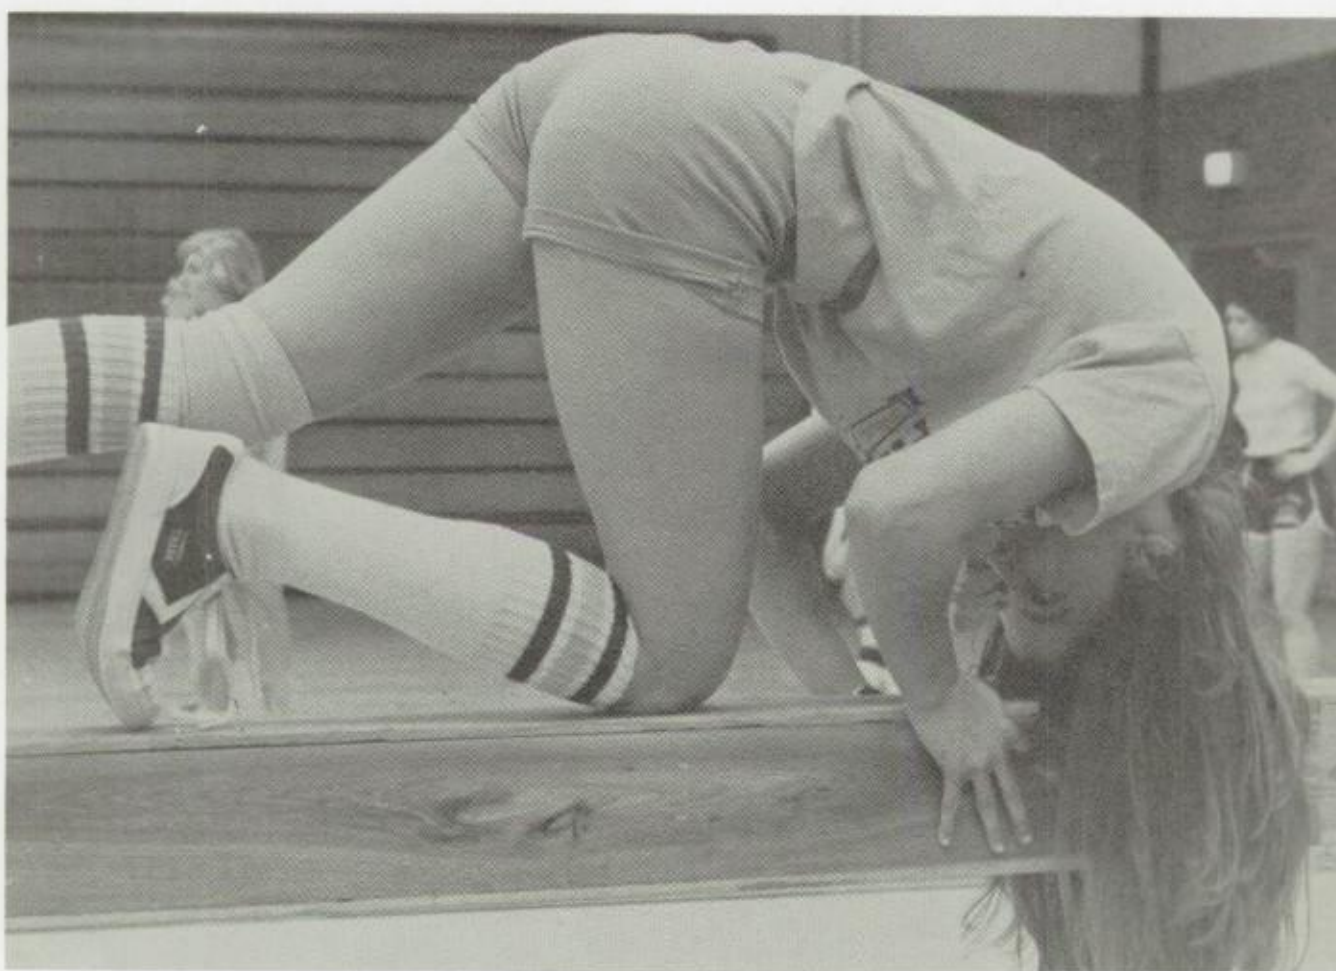

Pictured Above:

Kay Topper walks on the balance beam.

Joe Sufton expresses his amazement about another student's powerful dodgeball throw.

Dana Beaudoin rests on the sidelines waiting to resume volleyball action.

Mr. Miller demonstrates the proper way to "shoot for two."

Debbie Swanson prepares to do a headstand on the balance beam.

Exercise Stimulates the Body and Mind

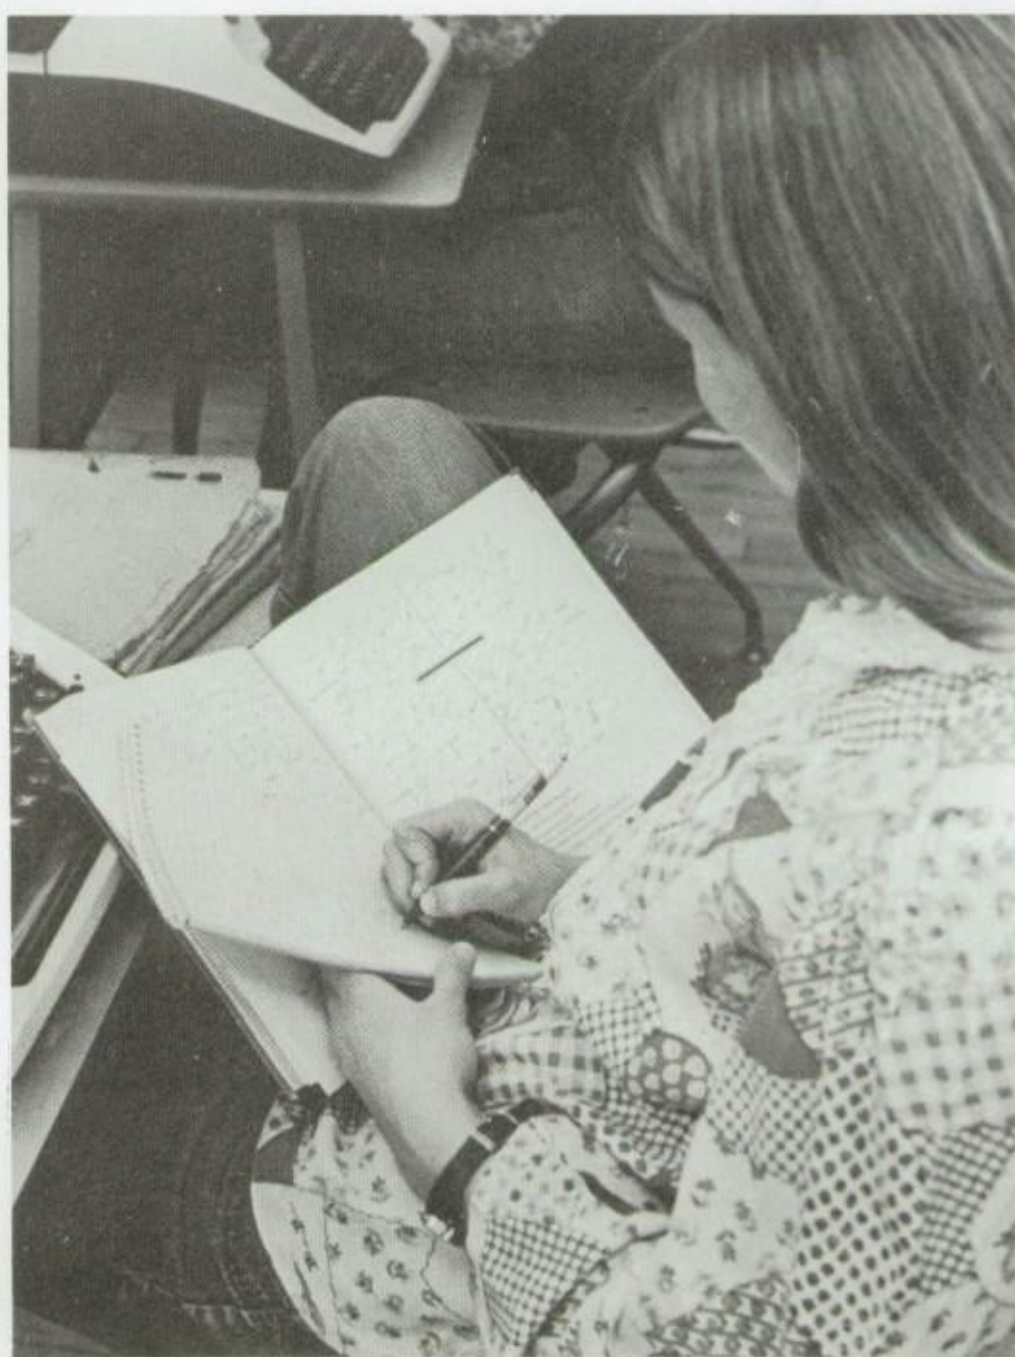

Many Acquire Office Skills

Students interested in the business world were encouraged to enroll in classes offered by the Business Education Department. Future office workers learn typing, shorthand, bookkeeping, and general office practices in these classes.

Top Left: Barb Staples uses the offset press in Secretarial Block.

Bottom Left: Mr. Sabourin helps Tammy Parrett in Typewriting I.

Bottom Right: Debbie Swanson practices writing shorthand.

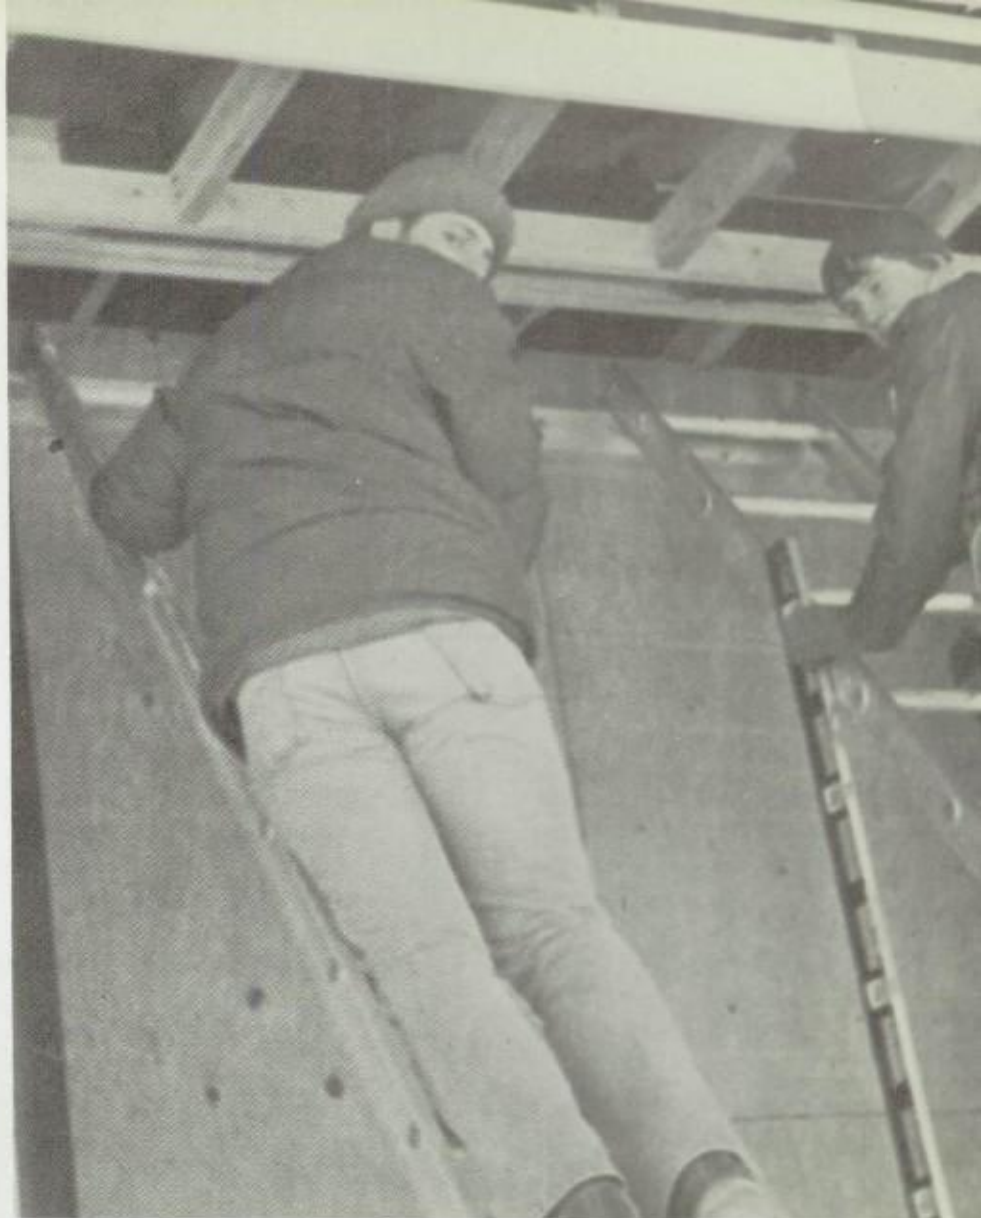

Work Skills Taught

The Agriculture Department was very limited in its course offerings during the 1977-78 school year because of a staff shortage.

Forestry, an agriculture class, was taught this year and helped prepare students for employment in forestry-related occupations.

Building Trades was a two-hour course taught by Mr. Young from the Industrial Arts Department. Students from both Stephenson and Menominee took this shared-time vocational class.

Top Right: Building Trades students use ladders to reach the roof area where they are working.

Bottom Right: Mr. Kuntze and Pat Brock examine a cross-section of a tree.

Bottom Left: Some of the tools needed to build a house are lined up ready for the novice carpenters to begin work.

History a Necessary Subject

The Social Studies Department's offerings included government, psychology, sociology, and world, United States, and modern European history.

The effect of history, political systems and world affairs on our lives was dealt with in the social studies classes.

Top: Mr. Voelker discusses the power of the government with Kim Nelson.

Bottom: Eighth-grade history students work on a class assignment.

ATHLETICS

Tim Starzynski, Paul Miller, Roger Cole, Oscar Grinsteiner, Frank Kleinke, Russ Hansen, Todd Crandall, Jerry Tebo, Paul Hohmann, Phil Vallie, Bill Kakuk, Mark Kakuk, Steve Bogdan, Darryl Wheeler, Mark Strohl, John Lampinen, Tim Stauffer, Troy Horie, Coach Larry Schlaack, Manager Chris Beaudoin, Managers Gerald Mellinger, Dennis Chaney, Assistant Coach Dan Young.

CHEERLEADERS

Junior Varsity Football

For Eagle football fans, the '77 season was a mixture of pleasure and disappointment. At each game, the Varsity Football Team took the field looking for a victory and each time were sent home defeated. On the other hand, the junior varsity football players had a winning season with a final record of 6-2.

Because of the JV's good record in 1977, the 1978 football season is eagerly awaited.

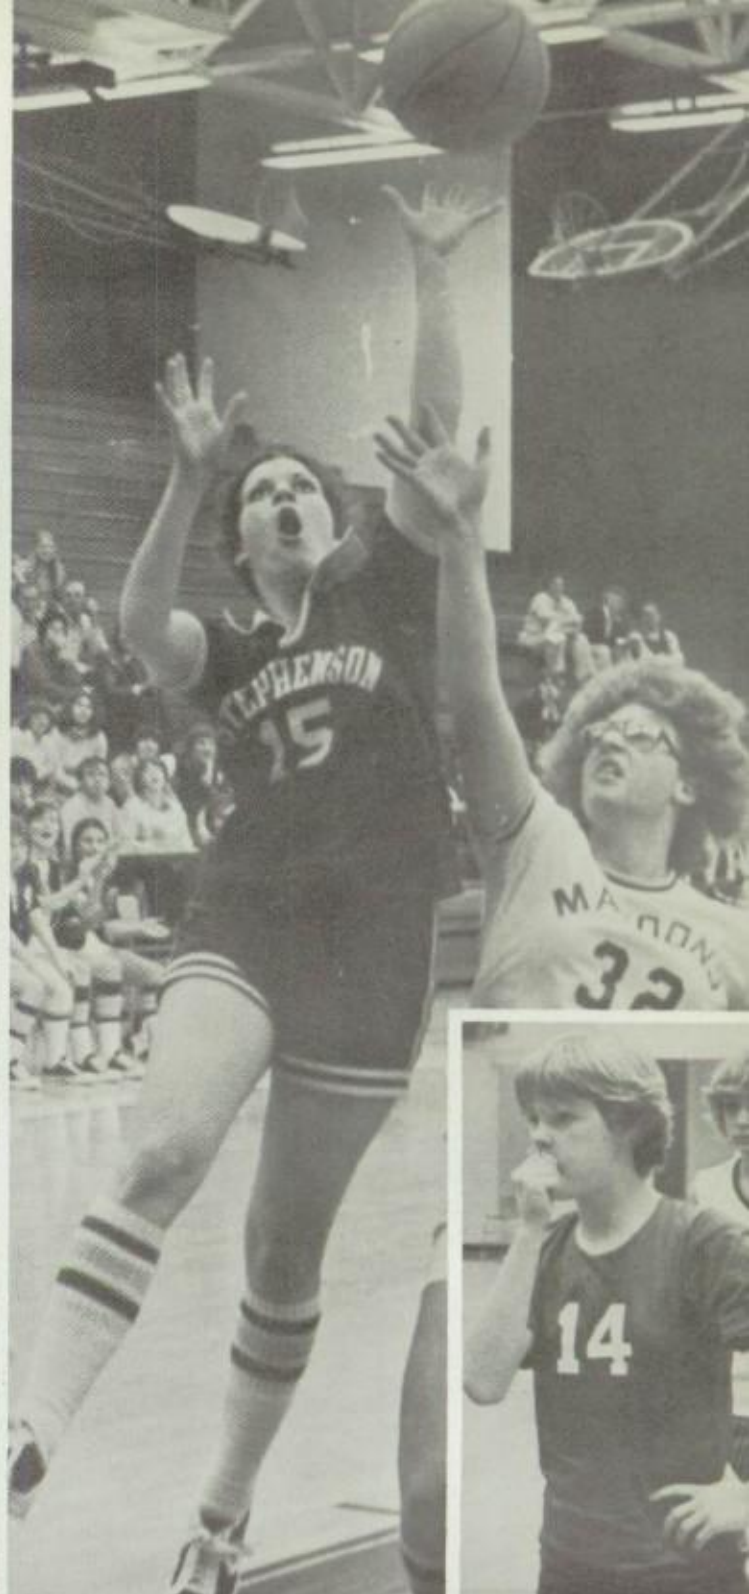

Varsity Football Season a Disappointment; Jayvees Have Winning Record

Girls' athletics at Stephenson High School are relatively new. The girls' basketball teams have shown considerable growth, both in numbers and in success.

The win/loss record of the girls' basketball teams have steadily shown improvement. The Girls' Varsity Team ended their season with 8 wins and 11 defeats. The junior varsity players won 6 games and took 11 losses.

With each year's additional experience, the promise of greater growth and achievement for girls' athletics is foreseen.

Girls' Teams Show Improvement During '77 Season

Lydia Gleason, Lisa Corey, Carol Paul, LeaAnn Galbraith, Mary Hubbard, Coach Falecki, Kim Nelson, Kendra Hohmann, Kelly Vincent, Mary Beth Brabec, Jane Kuntze, Rhonda Hoida.

Freshman Boys' Basketball

Successful Basketball Season

Each of the boys' high school basketball teams had a winning season this year.

The Freshmen Team won 7 of their 13 games, and the Junior Varsity had a win-loss record of 15-5.

The Varsity squad ended the regular season with 12 wins and 8 losses. Seven of the 8 Varsity defeats were close contests with the Eagles suffering defeat by a mere 5 or fewer points.

The teams handled the ball well and provided spectators with many exciting evenings of basketball competition.

Mrs. Chris Spring
Cheerleading Advisor

During the past year, fans, cheerleaders, parents, and school personnel were very supportive on the many Eagle sports activities and their coaches. The determination and hard work of the athletes plus the encouragement of their fans proved to be a winning combination. The positive attitudes of those involved have resulted in one of the best all-around sports years at Stephenson High School in recent years.

Keeping You In Touch

SCOTT PAPER COMPANY...
encouraging scholastic excellence

Last year, as part of our continuing interest in encouraging scholastic excellence, we introduced Scott's Hi-Q, the nation's oldest continuous academic quiz program, into the Wisconsin community. We appreciate the opportunity to recognize and support educational achievement, and are pleased that Stephenson High School was one of the original participants in the Wisconsin Hi-Q program.

The Navy offers graduates more than congratulations.

Like a good life. Full of challenge. And the opportunity to make the most of yourself.

While you visit faraway places. Have fun. Meet people. Make friends. And swab your share of decks.

You'll learn to lead. To be responsible for your own job.

You can choose training in one of 70 different career fields. If you've got what it takes.

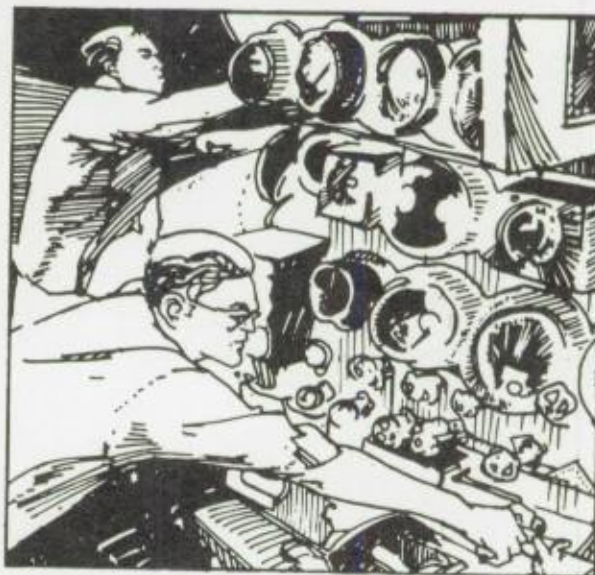

Training for your hands. Your mind.

For skilled jobs. Like sea-going engineering. Electronics. Airport service. Or radar operation.

Get more out of graduation. Get ahead.

If you sign up now, you won't have to report for up to six months. Or even twelve months, if you qualify for a school program.

Talk to your Navy Recruiter. He can even tell you what you qualify for before you enlist.

A good job. A good life. The Navy:
It's a good deal.

The quality is steady as she goes

At Marinette Marine, we still believe in the Master's Touch. It makes a quality difference that stays with you whatever course you chart. On the high seas. Inland waterways. Harbor service.

It's the perfect complement to the efficiency of our numerically controlled machines and electronic production surveillance techniques.

Marinette Marine applies the Master's Touch in the building of landing craft. Barges. Oceanographic research vessels. Special purpose commercial craft from 40 to 300 feet.

We're particularly strong in building multiples — a "good economics" point to remember.

Marinette Marine. Where men, machines and methods have compiled a 5-year-plus record for on-time deliveries *at the agreed upon cost.* Come aboard!
